Because Memorial Day is celebrated on a Monday and Independence Day on a Friday, summer semester offerings which meet on a Monday and/or a Friday will have the standard beginning, but ending times will vary. Courses meeting for only one day are not to be scheduled on Monday's or Friday's. One, two, or three-week workshops scheduled during the week of May 26-30 or June 30-July 4, must schedule a make-up day on Saturday, May 31 or Saturday, July 5 respectively.
