

**Irvington Economic Development Action Plan
Facilitated by Ball State University-Fall, 2002
Summary of Goals**

- 1. Encourage quality development and integrate Irvington Plaza to the Washington Street commercial district both visually and through commercial opportunities.**
- 2. Identify, enhance, and preserve public and private open and green spaces throughout Irvington.**
- 3. Develop a distinctive and destination type commercial district along Washington Street.**
- 4. Promote a family-friendly community.**
- 5. Preserve and enhance the diverse existing historic housing in Irvington.**
- 6. Define gateways to identify Irvington as a unique place.**
- 7. Foster, reinforce, and promote the existing unique character of Irvington and the neighborhood.**
- 8. Preserve historic buildings throughout Irvington and encourage new construction and renovation which is consistent with the existing historic character.**
