Favorite Quote: ““I’d rather be a could-be if I cannot be an are; because a could-be is a maybe who is reaching for a star. I’d rather be a has-been than a might-have-been, by far; for a might-have-been has never been, but a has was once an are.”

Favorite interior design class so far and why: I love Studio! It’s a regular challenge but I feel rewarded once a project is completed. It’s satisfying!

Plans for the future: I plan on finishing my classes this spring and taking an internship this summer. Hopefully I will be hired on with a firm that offers tuition reimbursement so I can take courses towards a masters in business administration.

My name is Katie Kane! Feel free to use both my first and last name. I am majoring in interior design because I love technical drawings and I love that I can do something different every day. My goal is to be as knowledgeable about design and surrounding fields as I can so I am also minoring in construction management. When I’m not working my butt off for school I like to read, play tennis, watch Japanese game shows on youtube and of course nap. I’m just a fun-loving gal. Say “HI!” if you see me around.
