MSS 167 / PSC 213

Dorothea Bump Collection, 1951-1991

7 Boxes; 6.3 cu. ft.

Scope and Content

The collection is divided into four areas: election and potential voter information, miscellaneous Muncie and Delaware County information, Muncie municipal information, and Beech Grove cemetery information. The election and potential voter information section contains lists of potential and likely voters, newspaper clippings, correspondence, direct-mail brochures and other campaign literature related to Dorthea Bump's election campaigns for Muncie City Council. The second series contains newspaper clippings, correspondence and other documents relating to issues in Muncie and Delaware County during Mrs. Bump's tenure on the council. Issues include the construction of the Justice Center/Jail and annexation. The third series relates specifically to issues relating to the city of Muncie and includes newspaper clippings, correspondence, and official documents relating to community development, historic preservation and the sanitary district. The final series focuses exclusively on the Beech Grove Cemetery administration. Included are documents relating to the improvement of the cemetery, employee job descriptions and hiring policies, as well as general official documents relating to the financing of the cemetery. The restricted files may only be viewed by consulting the Archives and Special Collections Librarian.

This collection contains information about a variety of different topics including: Elections procedures (1951-1974), Primary elections (1974-1984), General Elections (1975-1978), Issue Potentials (1986-1987), Voter registration polling (1967-1988), Voting data (1987), Registered voters (1987), Community development (1975-1991), Historic preservation (1984-1991), Parks and recreation (1983-1990), Beech Grove cemetery (1983-1988). This collection also contains a restricted folder of employee punishment for Beach Grove Cemetery. This collection also contains a small file of photographs located in PSC 213.
