### History

Established during the 1980s, Healthy Mothers Healthy Babies of Delaware County Coalition is a voluntary organization of health professionals and others committed to achieving the highest level of health and well being for mothers and babies. HMHB of Delaware County is a member of the National Healthy Mothers Healthy Babies Coalition and the Indiana Perinatal Association/Network.

### Scope and Content

The collection consists of the chairperson's files and subject files. The collection contains bylaws, brochures, data on Indiana births, meeting minutes, publications, and reports; it includes materials from HMHB of Delaware County, National HMHB, and IPA/IPN. The chairperson's files are arranged chronologically and consist of meeting agendas, minutes, financial reports, and material distributed for discussion, such as reports and publications.
