

In Memoriam

The members of the University Senate recognize with regret the death of:

***Sheryl (Sherry) Alley, Instructor of Accounting.** Ms. Alley was a CPA and 30 year instructor at Ball State University. Ms. Alley died after a brief struggle with the rare anaplastic thyroid cancer. She is remembered by her colleagues as a kind and caring individual. She was a well-liked instructor as is evidenced by the number of students who wanted to get into the sections she taught. She is remembered both for her high standards and her fairness. In her spare time, she was a volunteer for Habitat for Humanity.*

Please let the minutes of the Senate record our regret of her passing and our appreciation of her service to Ball State University.
