

## Attachment C

### **Scholarship Rules**

- ❖ One half of the scholarship awards for the Miss Ball State University title holder will be transferred to the contestant's university student account within one month of the pageant date for the spring semester in which the pageant is held. The remaining half of scholarship awards will be transferred to the contestant's university student account for the following fall semester.
- ❖ All other Miss Ball State University scholarship awards will be transferred to the contestant's university student account within one month of the pageant date for the spring semester in which the pageant is held.
- ❖ Miss Ball State University must complete a full year of service or risk forfeiting part of their scholarship award.
- ❖ Miss Ball State University must represent the program with integrity and an awareness that her actions will be a representation of the program.
- ❖ Miss Ball State University must request permission from the director before applying for such activities that might restrict her from performing routine duties as required by her title, i.e. study abroad programs or off-campus performances.
- ❖ The program director reserves the right to approve all Miss Ball State University appearances for the advancement of the program and the titleholder's platform.
- ❖ Miss Ball State University must be available to participate and/or perform in campus events and activities as needed, i.e. Homecoming events, development events, and promotional events.
- ❖ Miss Ball State University will not be permitted to acquire outside coaching unless approved by the director.
- ❖ The program director must approve all competition clothing prior to the Miss Indiana pageant.
- ❖ The program director must approve Miss Ball State University's talent request prior to its submission to the Miss Indiana program board.
