

Indiana Core Transfer Library Approval Form: Accounting 2

The undersigned Indiana public institution affirms that it will: 1) accept all courses listed below in transfer; 2) equate each course listed from other institutions to the course listed as its own, or as undistributed/elective credit when "course not taught" is indicated; 3) apply each transferred course from this agreement as if it were taken by a direct-entry student; and 4) maintain this equivalency, notifying the Core Transfer Library manager of any changes. Any exceptions or objections that apply may be summarized in a sentence or two and attached to the signature form. Such comments will be reviewed for approval by the Indiana Commission for Higher Education and other public institutions. The comments will then be reproduced on the final, public version of the CTL.
