Savannah Riverboat Cruise

The two-hour Dinner Entertainment Cruise is a wonderful way to unwind from a busy work week, travel schedule or hectic convention.

Sit back and relax while the riverboat slowly takes you down the Savannah River.

Enjoy a gourmet buffet dinner with something to satisfy everyone's taste buds!

After dinner, snap your fingers, tap your toes or get up and dance to the tunes from the 50's through today performed by one of our own riverboat entertainers. Or, venture to our third deck and enjoy the calm Savannah evenings with amazing sights and sounds of our historic city, founded in 1734.

With an interior reminiscent of a turn-of-the-century riverboat, the *Georgia Queen* and *Savannah River Queen* deliver a classical elegance. Both boats provide the amenities of a luxurious banquet room with white table linens, mahogany bars and dance floors. Since opening in 1992, River Street Riverboat Company has been a favorite venue for both locals and visitors alike. Enjoy any of the five climate controlled dining rooms, each with an understated and timeless décor, reminding one of a classic cruising vessel. Only river Street Riverboat Company can offer such a versatile, palate-pleasing menu in such beautiful surroundings. House entertainment, climate-controlled dining, panoramic views and a fabulous dinner buffet featuring:
