# AGLS Joseph Katz Award

## *Nomination Form*

Every other year, AGLS members select a person in the United States to receive the Joseph Katz Award for Distinguished Contributions to the Practice and Discourse of General and Liberal Education. *This is a person whose commitment and activity has contributed greatly to the improvement of the educational experiences of students on campuses nationally and to the understanding of the theory and practice of general and liberal education.*

Please provide adequate information for the committee to assess the nominee's contribution to General and Liberal Education (teaching in and service to the program are given highest priority).
