Chapter-only Membership

We invite you to become a chapter-only member of the Robert Cooper Audubon Society (RCAS), separate from your National Audubon Society membership, in order to support our chapter's programs and activities.

If you become a member of the Robert Cooper Audubon Society, your donation will go entirely to the support of our chapter and its activities in East Central Indiana. Thanks to a gradual reduction in funding that the National Audubon Society passes on to local chapters, like ours, nearly all of your Audubon membership fees support the national organization. We now receive only \$2.50 from each member's annual dues, which does not even cover the cost of printing and mailing our newsletter.

Your direct financial support of our chapter will allow the following activities to continue:

- Monthly program meetings, with top-notch speakers and presentations about nature, natural history, and conservation
- Printing of our chapter newsletter, *The Chat*
- Our annual fall picnic
- Purchase of Audubon Adventures education kits for local elementary school classrooms
- Our support of conservation efforts in our area, from the Wildlife Resqu Haus to the many individuals and organizations honored at our annual spring banquet
- Field trips and the many other activities that our chapter undertakes each year, to help us fulfill our mission to protect and enjoy nature together in East Central Indiana

Please NOTE: *If you do not opt for chapter-only membership but maintain your National Audubon Society membership, you will remain a member of the RCAS. Nothing will change in your membership or the publications you receive.*

Support your chapter at the following levels (please check your choice):

- Student \$15
- Basic \$20
- Supporting \$50
- Partner \$100
- I want to maintain my membership in the National Audubon Society, but here is my gift for the local chapter: \$_____
