Cost:

No co-insurance or deductible is required for employees using the clinic who have the Ball State low deductible or high deductible wellness option PPO as their primary health plan (no out of pocket cost to you).

All employees, spouses, dependents and retirees who are not covered under these plans are welcome but must pay in full at time of service.

The QuickClinic has very competitive prices for eligible patients. Call 765-285-1106 for an estimate of cost.
