Ball State University's Program Code Definitions

Instruction - 2001

<u>Quick Categories</u>
- Instructional Departments in the Colleges
- Summer Session instruction
- Continuing Education Activities

This program code will be used for all expenditures related to instructional programs. This may also include research and public service departmental chair activities if they are closely tied to instruction. This would exclude remedial and tutoring activities, which are considered Student Services.

Research - 2002

<u>Quick Categories</u>
- Research Institutes
- Faculty Research
- Sponsored Project Research

This program code will be used for all activities specifically organized to produce research for both external agencies or within the institution. This would exclude training grants.

Public Service - 2003

<u>Quick Categories</u>
- Service Institutes
- Service Contracts and Projects
- Television and Radio Stations

This program code will be used for all activities that are non-instructional and benefit the community. This may also include conferences, advisory services and consulting.

Academic Support - 2004

<u>Quick Categories</u>
- Offices of the Academic Deans
- Libraries & Museums
- Computing & Information Systems
- Faculty Recruitment

This program code will be used for all activities related to the administration of the University's primary mission of instruction, research and public service. This would exclude Department Chair activities which are more instructional then administrative.

Student Services - 2005

<u>Quick Categories</u>
- Student Admissions & Records
- Financial Aid Administration
- Student Counseling Center
- Career Center
- Recreation
- Student Activities
- Commencement
