Set Mediasite Tool for Blackboard and create link to Mediasite Catalog

Note: These steps must be done for each Blackboard course.

1. **Sync My Mediasite to your Blackboard Course**
   
   Go to **Control Panel > Course Tools > Mediasite Options**
   
   1. Select the server Default: My Mediasite
   2. Enter Mediasite User Name and Password
   3. Select the viewing options
      
      Choose Open presentations in new window
      Choose Open catalogs in new window
   4. Submit changes

2. **Create Links to Mediasite Content**
   
   The Mediasite tool can be accessed through the Content area from Tools tab.

   Go to:
   
   **Content Folder > Tools tab > Link to Mediasite Content**
   
   1. Choose to link to **Entire Catalog**
   2. **Search** by Name/Title, Description, or Tags
   3. **Submit**
   4. Click **OK**
