

DEPARTMENT OF CONSTRUCTION MANAGEMENT AND INTERIOR DESIGN

New:

TECHNOLOGY: CONSTRUCTION MANAGEMENT (TCST)

380 Internship in Construction Management 1 (3)

Emphasizes internal or external placement in a construction workplace. Provides opportunities to integrate and apply course content to the workplace. A paid or unpaid work experience for Construction Management majors.

Prerequisite: permission of the work experience coordinator. May not take concurrently with TCST 381.

381 Internship in Construction Management 2 (3)

Emphasizes internal or external placement in a construction workplace. Provides opportunities to integrate and apply course content to the workplace. A paid or unpaid work experience for Construction Management majors.

Prerequisite: permission of the work experience coordinator. May not take concurrently with TCST 380.

390 Training and Development in Construction (3)

Training and development in construction professions and their relationship to the job and organization. Emphasizes skills needed to systematically plan, implement, evaluate, and revise training and development programs. Provides opportunities for practical application and practice.

SCHOOL OF ART

New:

TECHNOLOGY: GRAPHIC ARTS MANAGEMENT (TGRA)

380 Internship in Graphic Arts Management (3-6)

Emphasizes internal or external placement in a Graphic Arts Management workplace. Provides opportunities to integrate and apply course content to the workplace. A paid or unpaid work experience for Graphic Arts Management majors.

Prerequisite: permission of the work experience coordinator.

A total of 6 credits may be earned, but no more than 3 in any one semester or term.
