Dear President Mearns:

At their February 2021 meeting, the directors of the National Architectural Accrediting Board (NAAB) reviewed the Visiting Team Report (VTR) for Ball State University.

The Board voted to grant the **Bachelor of Architecture** degree program a three-year term of initial accreditation. The term is effective January 1, 2020, and the program is scheduled for its first visit for continuation of accreditation in spring 2023. This visit will be conducted under the provisions of the NAAB [2020 Conditions for Accreditation](#) and Section 5 of the [2020 NAAB Procedures for Accreditation](#).

Please be reminded that continuing accreditation is predicated on submission of Annual Statistical Reports, as well as public dissemination of both the Architecture Program Report and the VTR. These documents must be made public electronically in their entirety. Please see Condition II.4.4 of the 2014 *Conditions for Accreditation* and Section 5 of the 2015 *Procedures for Accreditation*.

Listed below are the required program documents and due dates:
