

Biotechnology Certificate Program Application

BSU ID Number:

First Name:

Middle Name:

Last Name:

Address Line 1:

City:

State:

Zip:

Country:

Phone:

E-mail address:

Education:

Are you currently enrolled at Ball State as an undergraduate? :

Major:

Minor:

Degree expected:

Anticipated completion date:

Work Experience:

Please list your employers, job titles, dates, brief statement of nature of work.

Honors, special accomplishments, or other recognition of your scholastic/professional career:

Provide a brief statement concerning your professional goals:

Provide a brief statement about areas in which you have research interests:

Provide the names and addresses of three individuals willing to write letters of recommendation. These three recommendations can come from academic or professional sources, although we suggest seeking recommendations from professors in courses related to biotechnology in which you have done well.

Each recommender should email their letter of recommendation directly to emrubenstein@bsu.edu.
