Italian buffet restaurant

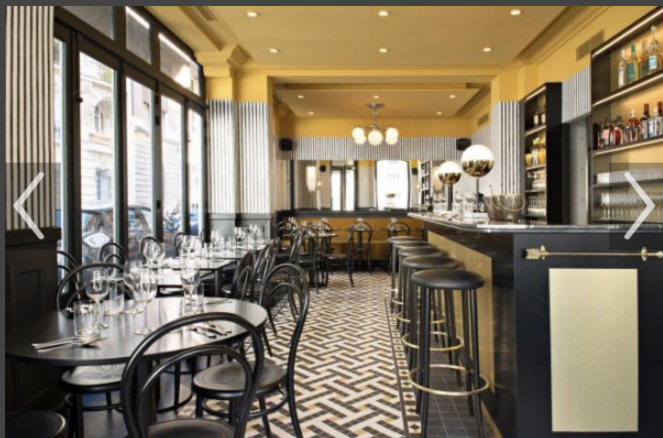

By Kaylee Krom

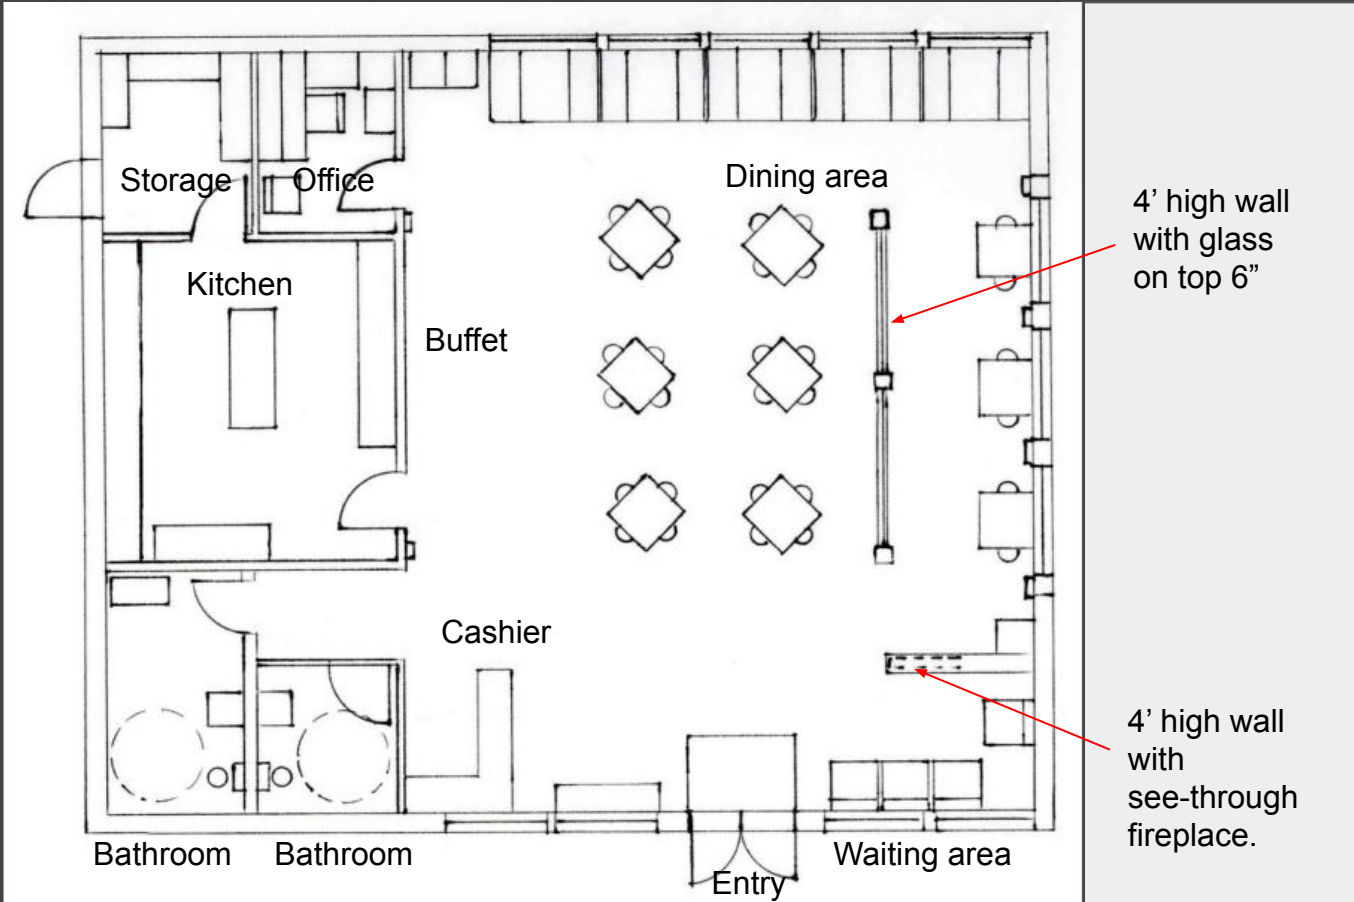

# Mission statement

Buffitaly is an Italian buffet restaurant in San Bernardino, California. It is a contemporary restaurant with red, teal, and neutral colors to fit the Italian restaurant look. The red and teal colors are based off of the Italian flag. A neutral look will be portrayed with pops of color, which will be displayed in the booth and lounge chair fabrics, napkins, and plates. The booths are going to be red and black, and the dining chairs will be black. There will be an accent wall below the buffet based on the Italian flag design. The dining tables, booth tables, and floor will be a marble look to contribute to the modern upscale concept. The walls, floors, and ceiling are kept light to maintain an airy feeling. The main foods being served are salad, pizza, and pasta. This modern fun design will appeal to a wide range of people, especially families.
