

Leah Austin

"One of my favorite projects I got to help work on was an office redesign... I got to create the plan myself versus working with the notes of my manager. This was a really cool experience to see my work being put to use in the real world."

Internship: NAI Hiffman

BSU Interior Design Summer Interns

Sarah Schultz

Internship: Inland Interior Design

BSU Interior Design Summer Interns

Amara Rollins

"My favorite project was the Library Redesign Project!"

Internship: BSU Architecture Library

BSU Interior Design Summer Interns

Mallory Lehmkuhler

"I got to work on a variety of projects this summer, from healthcare to multi-family to hospitality. I developed different furniture layouts, got to help with construction documents, and even did some custom casework elements!"

Internship: Studio 3 Design

Elyse Bassler

Internship: Gibraltar Design

BSU Interior Design Summer Interns

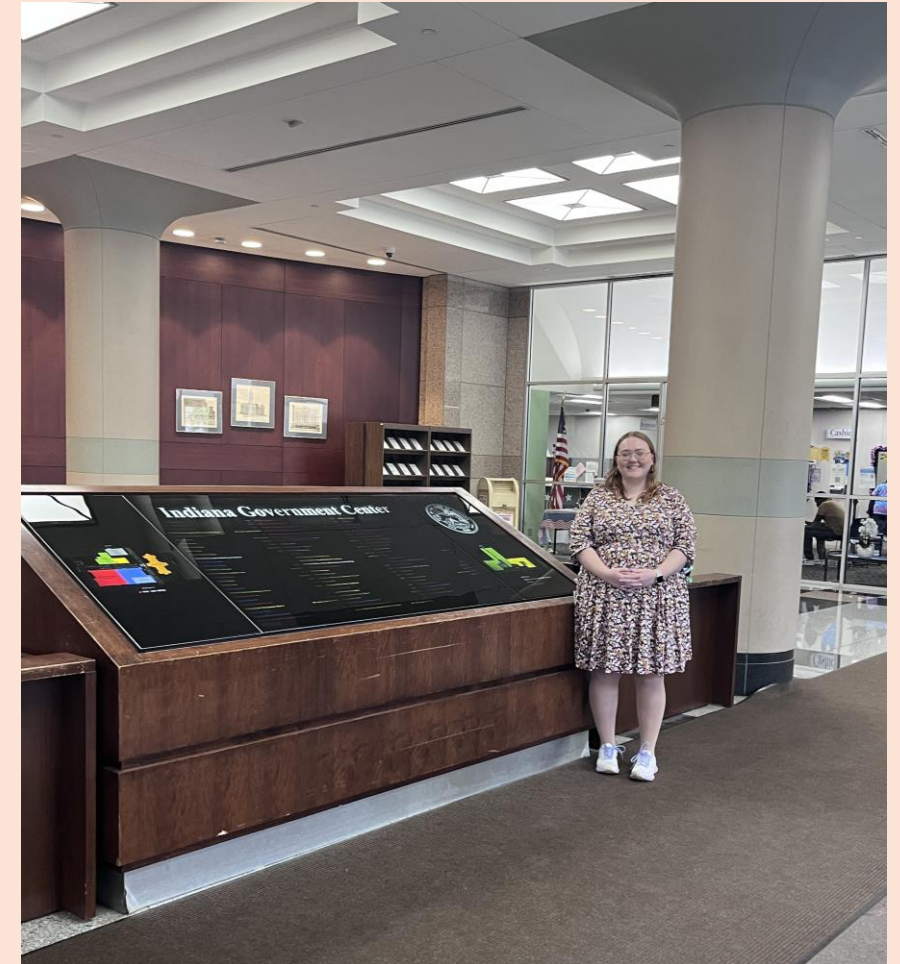

Julia Lashbrook

"My favorite project was working on the Indiana Department of Environmental Management (IDEM). They have 3 floors at the Government Center and it's a very long project...they were finishing up one of the floors, so I got to see the ending of a phase."

Internship: Design Applications, Inc.

BSU Interior Design Summer Interns

Danielle Stine

"My favorite project was Yugo Austin Corner, student apartment housing in Austin, Texas."

Internship: Inland Interior Design

BSU Interior Design Summer Interns

Emma Anderson

"One of my favorite projects I got to help in was the Indy ignite office space which is Indiana's professional women's volleyball league."

Internship: OfficeWorks

Jenelle Rogers

"My favorite project that I worked on was Westfield Middle School, specifically being able to create the furniture layouts for the media center and designing the athletic corridors, locker rooms, and hallway display designs."

Internship: CSO Architects

Maddi Curless

"My favorite project that I worked on during my summer internship was Fujiyama Japanese Steakhouse in Greenwood, IN. I got to experience many parts of the design process including construction documentation, material selection/specification, while designing other creative elements within the restaurant as well."

Internship: Phanomen

Andee Junker

"My favorite project that I worked on during my internship at McGee Designhouse this summer was the Muncie Fire Station."

Internship: McGee Designhouse

Hope Screeton

Internship: BSU CAP

BSU Interior Design Summer Interns

Jamie Higueta

"I loved install days where we installed all the furniture and decor into the homes."

Internship: Salted Hue Interiors
