Departmental scholarships will be awarded to students in the Department of Construction Management and Interior Design. The number and amount of the awards are dependent upon the funds available. The award criteria includes:

- Applicants must be a declared major in either Construction Management or Interior Design.
- Applicants must have shown qualities of leadership and personality that will predict success in their chosen field.
- Several scholarship categories specify a GPA of at least 3.0 on the 4.0-scale or a specific class status, while some scholarships do not.

The tentative list of available scholarships for each academic major in the department include:
