Code	Description	Details	Action
Couc	Description	Details	Action
	Generic -		Authorization
	Approved Transaction	Issue with the data being sent to MICROS	-
101	Invalid Fields	Issue with data being sent to FreedomPay (Offline / Voice Auth)- Configuration issue	Contact creditcards@bsu.edu
	Invalid Request Data	Issue with data being sent to FreedomPay (Offline / Voice Auth)- Configuration issue	Contact creditcards@bsu.edu
	Invalid service request	Issue with data being sent to FreedomPay (Offline / Voice Auth)- Configuration issue	Contact creditcards@bsu.edu
104	Duplicate request	The transaction data was attempted for capture more than once.	-
	Heatra an Communication		
440	Upstream Communication -	Please Retry the batch before reaching out to FP	Authorization
	Critical Error Critical Error	Issue processing the request upstream.	Contact creditcards@bsu.edu
	Processor Error (Timeout)	Issue processing the request upstream.  Response Timeout from Processor during nightly settlement	Contact creditcards@bsu.edu  Please Retry (Timeout)
	Processor Error (Error)	Communication Protocol error with processor during nightly settlement	Please Retry (Timeout)
	Processor Error (No Comm.)	Unable to connect to processor during nightly settlement	Please Retry (No Com)
	Processor Error (Invalid Comm.)	Invalid connection information from processor during nightly settlemen	Please Retry (Invalid Com)
			, control of the cont
	Bank -	Only occur during batching if transaction was Offline / Voice	Authorization
201	Payment issue - generic	Authorization was not allowed by issuing bank	Ask for Alt Tender
	Bad Expiration date	The card might be expired or the incorrect Expiry date was entered	Ask for Alt Tender
	Declined	Issuing Bank declined - Unspecified reason	Ask for Alt Tender
	Insufficient Funds	Issuing bank stated this card does not have enough funds available	Ask for Alt Tender
	Card Lost or Stolen	The card used is was flagged either lost or stolen by issuing bank	Ask for Alt Tender
	Stolen Card	The card used was flagged as stolen by issuing bank	Ask for Alt Tender
	Bank unavailable	Issuing bank not available to complete transaction	Ask for Alt Tender
	Card not active / ineligible for trans type	Issuing bank stated this card is not active or is not eligible for transaction type	Ask for Alt Tender
	Incorrect PIN	PIN used is incorrect	Ask for Alt Tender
	Card is over the limit	DECLINE - Card used is over the limit	Ask for Alt Tender
	Incorrect verification number Invalid PIN data	Verification code used is incorrect CVV / CVC / CVV2 / CID (keyed)	Ask for Alt Tender
	Account issue	PIN data associated with card is invalid  Issuing bank stated this card is currently having issue with the account	Ask for Alt Tender Ask for Alt Tender
	Suspected Fraud	Issuing bank scatted this card is currently having issue with the account	Ask for Alt Tender
	Account is Frozen	Issuing bank stated this card's account is currently frozen.	Ask for Alt Tender
	Upstream Misc	Miscellaneous Errors	Authorization
229	Merchant Configuration Error	Issue with merchant credential data upstream (Gateway / Processor Configuration)	Contact creditcards@bsu.edu
	Invalid Account Number	The account number referenced in the request data was invalid or incorrect	Contact creditcards@bsu.edu
232	Card type not allowed	The specific card type is not allowed either on the gateway or processor	Ask for different card type
233		Generic reject from processor.	Contact creditcards@bsu.edu
	Request was rejected by processor		contact credited as @ bsu.edu
234	Request was rejected by processor Invalid Merchant Credentials	Credentials configured do no match upstream data. Check boarding sheet.	Contact creditcards@bsu.edu
235	Invalid Merchant Credentials Capture amount exceeds Authorization	The requested capture amount exceeds the original authorized amount.	Contact creditcards@bsu.edu -
