

# CURRICULUM VITAE

## **MOLLY K. TSCHOPP, Ph.D., CRC**

**Associate Professor  
Program Director- Rehabilitation Counseling  
Ball State University**

Department of Counseling Psychology, Social Psychology and Counseling  
Office: (765) 285-8040  
[mtschoop@bsu.edu](mailto:mtschoop@bsu.edu)

### **Academic Degrees**

***Ph.D. The University of Wisconsin-Madison, Wisconsin, 2002***

Major: Rehabilitation Psychology  
Minor: Educational Psychology

***M.A. The University of Iowa, Iowa City, Iowa, 1996***

Major: Rehabilitation Counseling

***B.A. The University of Iowa, Iowa City, Iowa, 1993***

Major: Psychology  
Minor: Sociology

### **Licensure & Certification**

Licensed Psychologist, Indiana (#20042883A).  
Certified Rehabilitation Counselor (#00015267).

## **Professional Experience**

### **Associate Professor, Director-Rehabilitation Counseling Masters Program**

Ball State University, Muncie, Indiana, August 2012 – present  
Department of Counseling Psychology, Social Psychology and Counseling

Provide instruction and clinical supervision in our CORE, CACREP, and APA accredited training programs. Conduct rehabilitation related research, supervise student research projects. Coordinate Masters Rehabilitation Counseling Program through program development and fulfillment of CORE accreditation standards, recruitment, and mentoring. University and professional service responsibilities.

### **Associate Professor Graduate Program Director/Online Program Coordinator- Rehabilitation Counseling**

University of Massachusetts-Boston, January 2009 – August 2012  
Department of Counseling and School Psychology

Provide instruction in masters level counseling courses and direct both the on-campus and on-line graduate Rehabilitation Counseling programs. Department, college, and university service responsibilities. Conduct rehabilitation related research, supervise student research projects. Coordinate Masters Rehabilitation Counseling Program through program development and fulfillment of CORE accreditation standards. Recruit, advise, and supervise rehabilitation counseling students.

### **Associate Professor**

Ball State University, Muncie, Indiana, August 2008 – January 2009  
Department of Counseling Psychology and Guidance Services

Provide instruction and clinical supervision in our CORE, CACREP, and APA accredited training programs. Conduct rehabilitation related research, supervise student research projects. Coordinate Masters Rehabilitation Counseling Program through program development and fulfillment of CORE accreditation standards, recruitment, and mentoring. University and professional service responsibilities.

### **Assistant Professor**

Ball State University, Muncie, Indiana, August 2002 – July 2008

### **Director, Rehabilitation Counseling Masters Program**

Ball State University, Muncie, Indiana, August 2005 – January 2009

Coordinate Masters Rehabilitation Counseling Program through program development and fulfillment of Council on Rehabilitation Education (CORE) accreditation standards. Recruit, advise, and supervise rehabilitation counseling track students.

### **Post-doctoral Clinical Work**

*Interventional Pain Care, LLC*, Muncie, Indiana, January 2008- December 2008

Provided psychological services in a private practice setting for physician-referred patients with chronic pain issues and co-occurring mental health needs.

*American Health Network*, Muncie, Indiana, September 2006 - January 2007

Provided counseling and psychological assessment in a private practice setting for physician-referred medical patients with co-occurring mental health needs.

*Ball State University Counseling Center*, Muncie, Indiana, August 2003 – February 2006.

Provided counseling and psychological assessment for Ball State University student body to assist students in reaching their personal and educational goals.

### **Pre-doctoral Psychology Intern**

Mendota Mental Health Institute, Madison, Wisconsin, September 2001- August 2002.

- Mendota Mental Health Institute is an APA-approved internship site.
- Licensed psychologists supervised all clinical work on the following unit rotations.

Treatment Rehabilitation Assessment Care Unit (TRAC 3): Provided mental health treatment in a minimum-security forensic unit for adult males working toward community placement. Responsible for development and co-facilitation of Schizophrenia Relapse Prevention Group. Co-facilitated Group Psychotherapy. Provided individual therapy and conducted psychological assessments.

Treatment and Rehabilitation Unit (TRU): Provided individual and group therapy on a medium security forensic adult unit for individuals with identified characterological issues.

Program of Assertive Community Treatment (PACT): Provided individual counseling, assessment, and support services through this outpatient community mental health program.

## **Psychology Advanced Clinical Practicum Student**

Mendota Mental Health Institute, Madison, Wisconsin, August 2000-August 2001.

Intensive Treatment Unit (ITU): Under the supervision of a licensed psychologist administered psychological assessment instruments to adult males on a medium security forensic unit. Scored and interpreted assessment data. Composed comprehensive psychological reports interpreting assessment results and communicating treatment recommendations. Provided individual counseling to assist with treatment issues.

Mendota Mental Health Institute, Madison, Wisconsin, May 2000-January 2001.

Children's Assessment and Treatment Unit (CATU): Under the supervision of a licensed psychologist administered psychological assessment instruments to children on the inpatient civil unit. Scored and interpreted assessment data. Composed comprehensive psychological reports interpreting assessment results and communicating treatment recommendations to families and community providers. Provided individual counseling to assist with treatment issues.

University of Wisconsin Hospital, Madison, Wisconsin, September -December 1999.

Department of Neuropsychology: Under the supervision of a licensed psychologist participated in intake interviews and observed neuropsychological assessment batteries with children, adolescents, and adults seen in the neuropsychology outpatient clinic.

Mendota Juvenile Treatment Center (MJTC), Madison, Wisconsin, June -August 1999.

Under the supervision of a licensed psychologist provided individual and group counseling for male adolescents with sexual and other criminal offense histories on a medium security unit. Provided assessment of recidivism and empathy/remorse of juvenile offenders.

## **Community Support Program Case Manager**

Bell Therapy, Milwaukee, Wisconsin, June 1997- August 1998.

Provided individual and group counseling for adults with psychiatric disabilities in an effort to maximize independent functioning in the community. Served program participants through psychosocial rehabilitation and case management services including individual counseling, symptom monitoring, outreach services, crisis intervention, treatment planning, and collateral contact.

## **Rehabilitation Counselor**

Milwaukee Center for Independence, Milwaukee, Wisconsin, February - June 1997.

Served as case manager and primary advocate for fifty adults with developmental disabilities and psychiatric disabilities. Provided individual and group vocational counseling. Coordinated internal and external support systems.

## **Scholarship**
