CLINICAL EXPERIENCE

08/17 – present **Director, Counseling Practicum Clinic**
Licensed Psychologist and Health Service Provider in Psychology (HSPP)
Ball State University, Department of Counseling Psychology, Social Psychology, and Counseling, TC LL, 017B, Muncie, IN 47306

Director of training clinic in the APA accredited doctoral program in counseling psychology and CACREP and CORE accredited programs in clinical mental health counseling and rehabilitation counseling. Clinical oversight of all clinical activities conducted as part of clinic and coordination of doctoral external practicum placements. Individual and group clinical supervision of graduate students counseling with individuals of all ages, families, and couples. Oversight of daily clinical and administrative activities of clinic. Collaborative work among other College of Health clinics and participating in inter-professional/integrated healthcare services and education. (Licensed Psychologist and HSPP, State of Indiana, #20042928A, Issued 02/09/2016, Expiration Date: 08/31/2018).

01/16 – 08/17 **Director, Behavioral Health & Psychological Services**
Madison County Community Health Centers, Inc., FQHC - LAL & PCMH
Anderson, IN

Clinical services across the age span for variety of mental/behavioral health, psychosocial concerns in integrated primary care clinics. Provided individual, family, couples, and group therapy services in addition to psychological and developmental screenings and evaluations. Provided supervision and training of doctoral level counseling and clinical

psychology students, intern, and post-doctoral fellow. Conducted behavioral health consultations. Engaged in administrative duties pertaining to department, clinical services, personnel/staff management, integrated healthcare services, and establishing and maintaining community initiatives.

03/22/2017 **QPR Gatekeeper Instructor Training for Suicide Prevention**
Anderson, IN

Instructor for the QPR (Question, Persuade, and Refer) Gatekeeper Training for Suicide Prevention: a brief educational program designed to teach "gatekeepers"--those who are strategically positioned to recognize and refer someone at risk of suicide (e.g., parents, friends, neighbors, teachers, coaches, caseworkers, police officers)--the warning signs of a suicide crisis and how to respond by following three steps: 1. Question the individual's desire or intent regarding suicide; 2. Persuade the person to seek and accept help; 3. Refer the person to appropriate resources. Instructor Certification valid until 3/22/2020.

05/16 – 08/17 **Clinical Preceptor, Butler University Physician Assistant (PA) Program**
Madison County Community Health Centers, Inc., Anderson IN

Preceptor for PA students engaging in full-time, month long behavioral health clinical rotation.

09/10 – 12/15 **Licensed Clinical Psychologist, Health Service Provider Designation**
Private Practice, "Lina L. Burkhart, Ph.D., PLLC", Nashville, TN

Conducted psychological and psychoeducational evaluations. Provided intervention services to children, adolescents, and families with concerns such as ADHD, depression, anxiety, pervasive developmental disorders, developmental delay, behavioral disorders, parent-child relational difficulties, coping and adjustment disorders, grief, parenting/disciplining difficulties, social skill deficits/difficulties, learning disabilities, gifted assessment, trauma, coping with medical illnesses, enuresis, encopresis, and others mental health issues.

07/13 – 12/15 **Early Childhood Developmental Screener**
Early Preschool, First Presbyterian Church, Nashville, TN

Created developmental screening program for a private preschool. One-on-one developmental screening of every new student using the BRIGANCE Early Childhood Screens III. Engaged in consultation and collaboration with school officials, and parents when indicated, regarding child development, developmental concerns, and early intervention assessments and services. Conducted classroom observations and parenting workshops. Screening program aided program in receiving National Association for the Education of Young People (NAEYC) certification.

04/05 – 09/10 **Licensed Clinical Psychologist, Health Service Provider Designation**
Centennial Pediatrics and Pediatric Specialists of Nashville, Division of Centennial Pediatrics, Nashville, TN

Full-time Clinical Psychologist within a pediatric primary care setting. Conducted psychological and psychoeducational evaluations and provided mental health intervention services to children, adolescents, and families. Psychological consultation services also provided to medical providers regarding patients and their families.

09/03 – 09/04 **Post-Doctoral Fellow in Clinical Child and Pediatric Psychology**
Perinatal Chemical Addiction Research and Education (CARE) and
Healthy Start Programs, Department of Pediatrics
University of Miami, School of Medicine, Miami, FL

Member of interdisciplinary team of professionals serving pregnant women and parents and their young children (birth to 3 years old) who were at-risk due to parental substance abuse and mental health issues. Provided individual, family, and parent-infant dyadic therapy, in addition to facilitating parent-infant/"Baby & Me" groups. Provided crisis intervention and stabilization, substance abuse treatment engagement, psychosocial interviewing, and assessment of individual, family, and parenting strengths and deficits. Services provided in an outpatient clinic and within the home.

9/02 – 08/03 **Clinical Child/Pediatric Psychology Intern**
APA Accredited Internship Program, Mailman Center for Child Development, Department of Pediatrics, University of Miami, School of Medicine, Miami, FL

Primary rotations:

Interdisciplinary Evaluation Services Program – Conducted comprehensive psychological and psychoeducational evaluations of children with developmental delays and/or behavioral health concerns.
Behavioral Pediatrics Clinic – Diagnostic and intervention services with families and children with behavioral, emotional, and/or medically related psychological concerns. Clinic specialized in diagnosis and treatment of ADHD. Participated in training pediatric residents in behavioral pediatrics.

Secondary rotations:

Pediatric Primary Care Clinic - Pediatric Psychology Behavioral Medicine Consultant/Liaison to pediatric residents and attending physicians. Brief diagnostic interviewing/screening with families assessing treatment compliance, contribution of psychological factors to medical presentation, and need for mental health and developmental referrals. Provided brief, behavioral health intervention services.
Perinatal Program – Parent-infant group; prenatal psychosocial group.
Family and Child Treatment Services Program, Child Protection Team – Provided therapeutic services to children who were victims of abuse.
Pediatric Liver, Intestinal, and Multi-visceral Transplant Team - Pediatric Psychology Consultant/Liaison to multi-disciplinary transplant teams regarding emotional/behavioral health of pediatric transplant patients and families. Direct therapy also provided to patients/families.

07/00 – 07/01 **Outpatient Staff Therapist**
Mind Body Wellness Center's Family Stress Clinic
Department of Family Medicine
University of Virginia Health Sciences Center, Charlottesville, VA
Doctoral practicum. Provided therapy to children, adolescents, adults, couples, and families with emotional, behavioral, relational, and/or medically related psychological problems. Received daily live individual supervision by members of a Consulting Supervisory Team.

7/00 – 7/01 **Behavioral Medicine Consultant/Collaborator**
Family Medicine Primary Care Clinic
University of Virginia Health Sciences Center, Charlottesville, VA
Doctoral practicum. Behavioral Medicine consultant to attending physicians, residents, and nursing staff to address psychosocial and psychological issues identified during primary health care visits. Worked individually and in collaboration with medical staff to assess mental health issues and to facilitate doctor-patient communication.

09/99 – 07/00 **Child and Family Clinician at Inpatient Psychiatric Hospital**
DeJarnette Center of the Commonwealth of Virginia, Staunton, VA
Doctoral practicum. Member of multidisciplinary team responsible for treatment planning and implementation. Conducted individual therapy with children ages 5-12, short-term family therapy, clinical interviews, and comprehensive psychological and psychoeducational evaluations.
