Information for Presenters

All presentations are scheduled for 50 minutes and they start on the hour. Make sure you clear your allotted room in time for the next scheduled presentation in the room.

Poster Session
1. Make sure that your poster is in one large piece instead of several small letters that need clipped on a board.
2. We have two sizes of wire mesh poster boards to clip posters on:
   49.5 x 36 inches and
   49.5 x 28 inches.
3. We will supply clips to hang up the posters.

Symposia and Roundtable Discussions
1. Bring your own computers and cables, extensions/connectors/dongles to connect to the projectors for PPT presentations/slides
2. Bring copies of any handouts you plan to provide to the audience
