

**BALL STATE
UNIVERSITY**

Assistant Lecturer/Assistant Teaching Professor of Mathematical Sciences

COLLEGE OF SCIENCES AND HUMANITIES

POSITION DESCRIPTION

The Department of Mathematical Sciences has a full-time contract faculty position as Assistant Lecturer or Assistant Teaching Professor of Mathematical Sciences (Mathematics Education Specialization) beginning August 18, 2023.

QUALIFICATIONS

Minimum: Master's degree in mathematics education or closely related field from an accredited institution by date of appointment, with at least 18 graduate semester hours of coursework in mathematics education or mathematics; current or previous teaching licensure or certification; at least two years of K-12 teaching experience.

Preferred: Teaching experience at the college level in undergraduate classes. Master's degree in mathematics education or mathematics by date of appointment. Doctorate degree in mathematics education with experience or interest teaching online. Interest in partnerships with local schools. Experience with culturally relevant pedagogy.

DEPARTMENT OF MATHEMATICAL SCIENCES

We are proud to provide our students with outstanding undergraduate and graduate educational opportunities in the fields of actuarial science, mathematics, statistics, and mathematics education.

THE COLLEGE OF SCIENCES AND HUMANITIES

The College of Sciences and Humanities prepares students to be successful and innovative global citizens who analyze situations, think critically, solve problems, and communicate clearly. We hire teacher-scholars who make our students' success possible. We offer programs in 16 departments in the humanities, social sciences, and computational and natural sciences.

ABOUT BALL STATE UNIVERSITY

Ball State University is located in Muncie, Indiana, on an attractive campus 45 miles northeast of Indianapolis. Ball State enjoys a close relationship with the [City of Muncie](#), and many employees extol the virtues of living in this Midwestern college town of 70,000 people.
