Only Fall 2025 CRN's are provided in the chart below.					
Course Number: Course Title [credit hours] - Description (Lab Component Requirements)	*Indiana Core	Term Course	Fall	Indiana College	
	Transfer	is offered	CRN	Core	
CT 115: Social Media Video Algorithms and Video Content Elements (3) This introductory course will examine how video content design interacts with algorithms being used across multiple social media video platforms. Topics will include exploring how video					
design elements interact with social media video algorithm priorities including search and discovery, feedback loops, use of historical data to make future decisions, video audience engagement data, search tool functionality, video search tool ranking data, using relevant search terms, aligning with suggested video content, use of playlists, considering performance and engagement data, aligning with country trend data, subscriber implications, and notification processes.		Fall 2025 Spring 2026	35438		
Through this course, students will understand the impact that social media video algorithms have on how society is able to discover and consume video content. FREE TEXTBOOK> VIDEO ABOUT THE CLASS CAN BE FOUND AT https://youtu.be/ENVPSs9-d38					
DANC 100: Introduction to Dance History (3) A University Core Curriculum course offering an extensive introduction to the understanding and appreciation of the many facets of creativity in dance through a variety of activities, including viewing, movement experiences, and discussing dance forms from primitive through contemporary times, and the historical and social elements that helped to shape these forms. Not open to students majoring in Dance.		Fall 2025 Spring 2026	29896		
ECON 116: Survey of Economic Ideas (3) The important conclusions of economics are surveyed and applied to topics chosen by the instructor. Especially valuable to students with no high school background in economics. Not applicable to a major or minor in economics. Not open to students who have credit in ECON 201 or 202.	Υ	Fall 2025 Spring 2026	33187	Yes	
Indiana College Core -Social and Behavioral Ways of Knowing ECON 201: Elementary Microeconomics (3) A study of why people specialize as producers and exchange what they produce with					
others. Includes analysis of how market structure affects prices. Discusses the issue of whether self-interested economic behavior promotes or hinders society.	Υ	Fall 20253 Spring 2026	33188	Yes	
Indiana College Core -Social and Behavioral Ways of Knowing ECON 202: Elementary Macroeconomics (3) Survey of the major explanations for fluctuations in general business conditions.					
Focuses on how the private sector's economic behavior is affected by various governmental policies and institutions. Prerequisite: C or better grade in ECON 201.	Y	Fall 2025 Spring 2026	33189	Yes	
Indiana College Core -Social and Behavioral Ways of Knowin g EDPS 254: Psychology of Early Childhood (3) Study of the development of young children from birth to age eight. Emphasizes physical, cognitive, social, and emotional development, particularly as it relates to child		Fall 2025 Spring 2026	24897		
care and early childhood education settings. EDPS 260 Human Growth and Development for Elementary Education (3) Introduction to human development emphasizing the preschool and middle childhood periods. Covers biological, cognitive, social, and emotional development as they relate to		Fall 2025	36267		
educational practice in the preschool and elementary school settings. Not open to students who have credit in EDPS 250. EDPS 270: Human Development Across the Lifespan (3) Introduction to human development from conception to death. Covers biological, cognitive, social, and emotional development as they apply to family, school, community, and broader social contexts.		Fall 2025 Spring 2026	24898		
ENG 103: Rhetoric and Writing (3) (English Composition 1) Introduces and develops understanding of principles of rhetoric; basic research methods; elements, strategies, and conventions of persuasion used in constructing written and multi-modal texts. Not	Y	Fall 2025	20335	Yes	
open to students who have credit in ENG 101 or 102. Required grade of "C" or better to fulfill University Core Curriculum requirements. College Core -Writing Communication	1	Spring 2026	20333	163	
ENG 104: Composing Research (3) (English Composition 2) Applies the fundamentals of rhetoric to the research process: methods of research; the rhetorical nature of research; elements, strategies, and conventions common to research writing, including multimodal presentations of new knowledge. Prerequisites: ENG 101 and 102; or ENG 103; or appropriate placement. Required grade of "C" or better to fulfill University Core Curriculum requirements.	Y	Fall 2025 Spring 2026	20337	Yes
