**New Business:**

1. Faculty Load and Compensation module
   a. Tammy Riley and Brian Paratore – Ellucian representatives
   b. MIDAS Working Group and a few other individuals took part in a FLAC demonstration session led by Ellucian. FLAC will help to integrate data, minimize manual entry of EPAFs, eliminate inconsistent faculty workloads and reduce the amount of hours of effort involved.
      i. FLAC merges data from Banner Student and Banner HR.
      ii. Customizable rules can be written to create a workflow that meets the needs of the University.

2. Open discussion of FLAC demonstration
   a. Steps to take moving forward
      i. Determine who to consult with and work with Ellucian to get some University rules established.
      ii. Talk with specific college deans regarding initial roll-out of FLAC.
