

Groups

have more fun!

Attending an event with your club, co-workers, church group or clients makes for a memorable experience and **saves up to 25%** off on tickets to many of our season performances with your purchase of 12 or more tickets.

Group Sales at Emens Auditorium make coordinating ticket reservations simple and convenient with:

- Preferred group seating
- Advance seat reservation
- Reduced pre- or post-show reception fee
- Artist outreach opportunities

(subject to availability)

John R. Emens College-Community Auditorium

Spaces

for every event!

Ball Brothers Foundation Hospitality Suite

This spacious, 2100 sf hospitality room is an ideal location for a variety of social events, meetings, conferences and dinners. The suite includes a conference room, an outdoor terrace, and a built-in audio/visual system and screen. The room can hold up to 120 for a sit-down dinner or nearly 200 for a reception with the adjacent area of the Brainerd Lounge. The view of campus through the South-facing wall of windows from this second floor room is stunning!

Aline Brainerd Lounge

Honoring the wife of John R. Emens, the 1876 sf Brainerd Lounge is a spacious auxiliary, adding flexible space for events in the Hospitality Suite. The Brainerd Lounge is carpeted with adjustable lighting, art work and restroom facilities.

Ball Brothers Foundation Hospitality Suite

Emens Plaza

Since the renovation in 2017, one will notice a significant change to the front entrance of Emens. The 4600 sf plaza can serve as an extension to a lobby/auditorium event or reserved separately. The Emens south lawn/plaza area was designed to be a campus focal point, and includes pre-anchors for tents, electrical power, lighting and a vestibule restroom, making it an ideal outdoor event location.

George and Frances Ball Foundation Lobby

The new grand entrance to Emens Auditorium has many amenities for patrons attending shows and events. The 5810 sf lobby features restrooms, single-use restrooms, built-in concession stands, expanded vestibule and an enclosed box office. The amenities and the square footage make this an ideal space for social gatherings, expos, registrations and conventions.

Williams Lounge

Named after Earl Williams, who steadfastly served as the first general manager of Emens Auditorium from 1964-1989. The 3,456 sf lounge is located on the lower level and includes restrooms, a kitchenette, two formal seating arrangements, and a granite-top beverage service area. The lounge is ideally suited for receptions, pre-show talks, meetings and conference/convention uses. It can accommodate 150-200 people for a reception.
