American Rescue Plan (ARP)  
Higher Education Emergency Relief Fund (HEERF III)  
June 30, 2021 Student Portion Quarterly Report

(1) An acknowledgement that the institution signed and returned to the Department the Certification and Agreement and the assurance that the institution has used the applicable amount of funds designated under the ARP program to provide Emergency Financial Aid Grants to Students.

Ball State University signed the original Funding Certification and Agreement under the CARES Act on May 1, 2020. We have received supplemental funding under the American Rescue Plan (ARP).

(2) The total amount of funds that the institution will receive or has received from the Department pursuant to the institution’s Certification and Agreement for Emergency Financial Aid Grants to Students under the ARP program.

Ball State University received Grant Award Notification P425E204032 on 6/10/2021 indicating an award amount for the student portion of $20,063,538.

(3) The total amount of Emergency Financial Aid Grants distributed to students under the ARP program as of the date of submission (i.e., as of the initial report and every calendar quarter thereafter).

No HEERF III funds have been disbursed as parameters are still being defined.

(4) The estimated total number of students at the institution that are eligible to receive Emergency Financial Aid Grants to Students under the ARP program.

Total eligible population is still being defined.

(5) The total number of students who have received an Emergency Financial Aid Grant to students under the ARP program.

No awards have been made at this time.

(6) The method(s) used by the institution to determine which students receive Emergency Financial Aid Grants and how much they would receive under the ARP program.

A plan for awarding funds has not yet been determined. (7) Any instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants.

Instructions for each student population will be developed as identified.
