Recreation Services operations are returning to pre-pandemic levels with some changes to be aware of for the Fall 2021 Semester. The Recreation Services Plan includes:

- Locations, hours, and programming information
- Guests/employees disinfecting equipment before and after use
- Information regarding co-curricular clubs and intramural sports

1. Recreation Services’ locations, hours, and programming will be determined based on available staffing.
   a. Areas that were closed during the pandemic will be reopening:
      i. SRWC Track
      ii. Ball Gym Track
      iii. Indoor Turf Building

2. If an activity space requires a reservation, we will communicate via the Recreation Services website.

3. Participants will clean and disinfect equipment before and after each use.

4. Communal equipment check-out will be available. Patrons will need to clean the equipment before and after use.

5. Locker rooms and lockers are available.

6. Members will be encouraged to bring their own water bottles to their workouts.

7. Normal cleaning and disinfecting schedules will be maintained with heightened cleaning schedules for high-touch public equipment/areas.

8. Signage regarding hygiene will be promoted.

9. A foaming hand sanitizer dispenser will be available upon entry to all buildings.

Co-Curricular Activities (Sport Clubs/Intramural Sports)

1. As all sport clubs/intramural athletes are students, University guidelines will apply. Sport Club competitions and travel will be reviewed and determined based on best practices, current trends, and the unique needs and guidelines of Ball State University.

2. Sport Club practices will resume with full contact abilities with guidance from Recreation Services.

3. Intramural sports will be returning in the Fall 2021 with slight modifications to the size of sports offered based on staffing abilities.
