Ball State University
Recreation Services Framework
1. Recreation Services’ locations, hours, and programming will be determined based on available staffing.

2. Employees must wear face masks; see University Face Mask Policy for rare exceptions.

3. Face masks must be worn in the facilities at all times.

4. Suspend, modify, or limit the capacity of programming that does not provide the ability to maintain physical distancing (at least 6 feet between people/equipment).

5. Promote clinics for Outdoor Pursuits.

6. Continue to create and offer virtual options.

7. Physical distancing should always be practiced.

8. Equipment must be spaced to accommodate physical distancing (at least 6 feet between people/equipment). Facility layouts may be modified, use of equipment may be limited, and additional rooms/locations may be used to space equipment appropriately where possible.
   a. The following facilities will require reservation times for various locations to ensure appropriate capacity limits:
      i. Climbing Wall
      ii. RC141
      iii. Main Floor
      iv. Ball Gym Fitness Center
      v. Lewellen Pool
      vi. Ball Pool
   b. If additional spaces not listed above are later required to make reservations, Recreation Services will communicate such requirements via the Recreation Services website.

9. Participants will clean and disinfect equipment after each use.

10. Occupancy limits will be established on a continuous basis according to University, local, state, and Centers for Disease Control (CDC) guidelines.
11. Communal equipment check-out will be limited to basketballs. Patrons will need to clean the equipment before and after use.

12. Locker rooms and lockers will be available beginning July 6, 2020.
   a. Towel services and laundry services are suspended until further notice.
   b. Members must bring their own towels and come dressed to workout.

13. Members will be encouraged to bring their own water bottles to their workouts.

14. Guest passes will not be available until further notice.

15. Normal cleaning and disinfecting schedules will be maintained with heightened cleaning schedules for high-touch public equipment/areas.

16. Consideration will be given to expanding crowd-sourced cleaning.

17. Signage regarding face masks, hygiene, and physical distancing will be posted and promoted.

18. Appropriate signage will be posted at entrances and within buildings indicating pathways and positions for standing, waiting, etc., where applicable.

19. A foaming hand sanitizer dispenser will be available upon entry to all buildings.

20. Physical barriers, such as sneeze guards and partitions, will be placed at high-traffic points-of-sale, service, reception, or other locations where frequent face-to-face interaction occurs.

21. Facilities may be closed at various times of the day to increase environmental cleaning and disinfection.

22. The following facilities will be offline for the Spring semester:
   a. Indoor Turf Building
   b. SRWC Track
   c. Ball Gym Track
Co-Curricular Activities (Sport Clubs/Intramural Sports)

1. As all sport clubs/intramural athletes are students, University guidelines will apply. Sport clubs/intramural sports present challenges with physical distancing and minimization of groups, particularly with contact sports.

2. Sport Club competitions and travel will be reviewed and determined based on best practices, current trends, and the unique needs and guidelines of Ball State University.

3. Spectators for co-curricular activities will be reviewed and determined based on best practices, current trends, and the unique needs and guidelines of Ball State University. In the event spectators are allowed, spectators will be asked or reminded via signage and/or announcement to physically distance and that face masks are required in buildings and outside when physical distancing is not possible.

4. Decisions about holding activities such as Sport Club conditioning will be made on a case-by-case basis.

5. Intramural sports will have alternative programming.
