

## Compare and Contrast Artwork

Deena longs to be an artist and is inspired by other artists--especially Vincent van Gogh. However, her new artist friend Salma encourages Deena to look at artists from other parts of the world, like Shahzia Sikander. Use the chart below to describe the portraits of each artist.

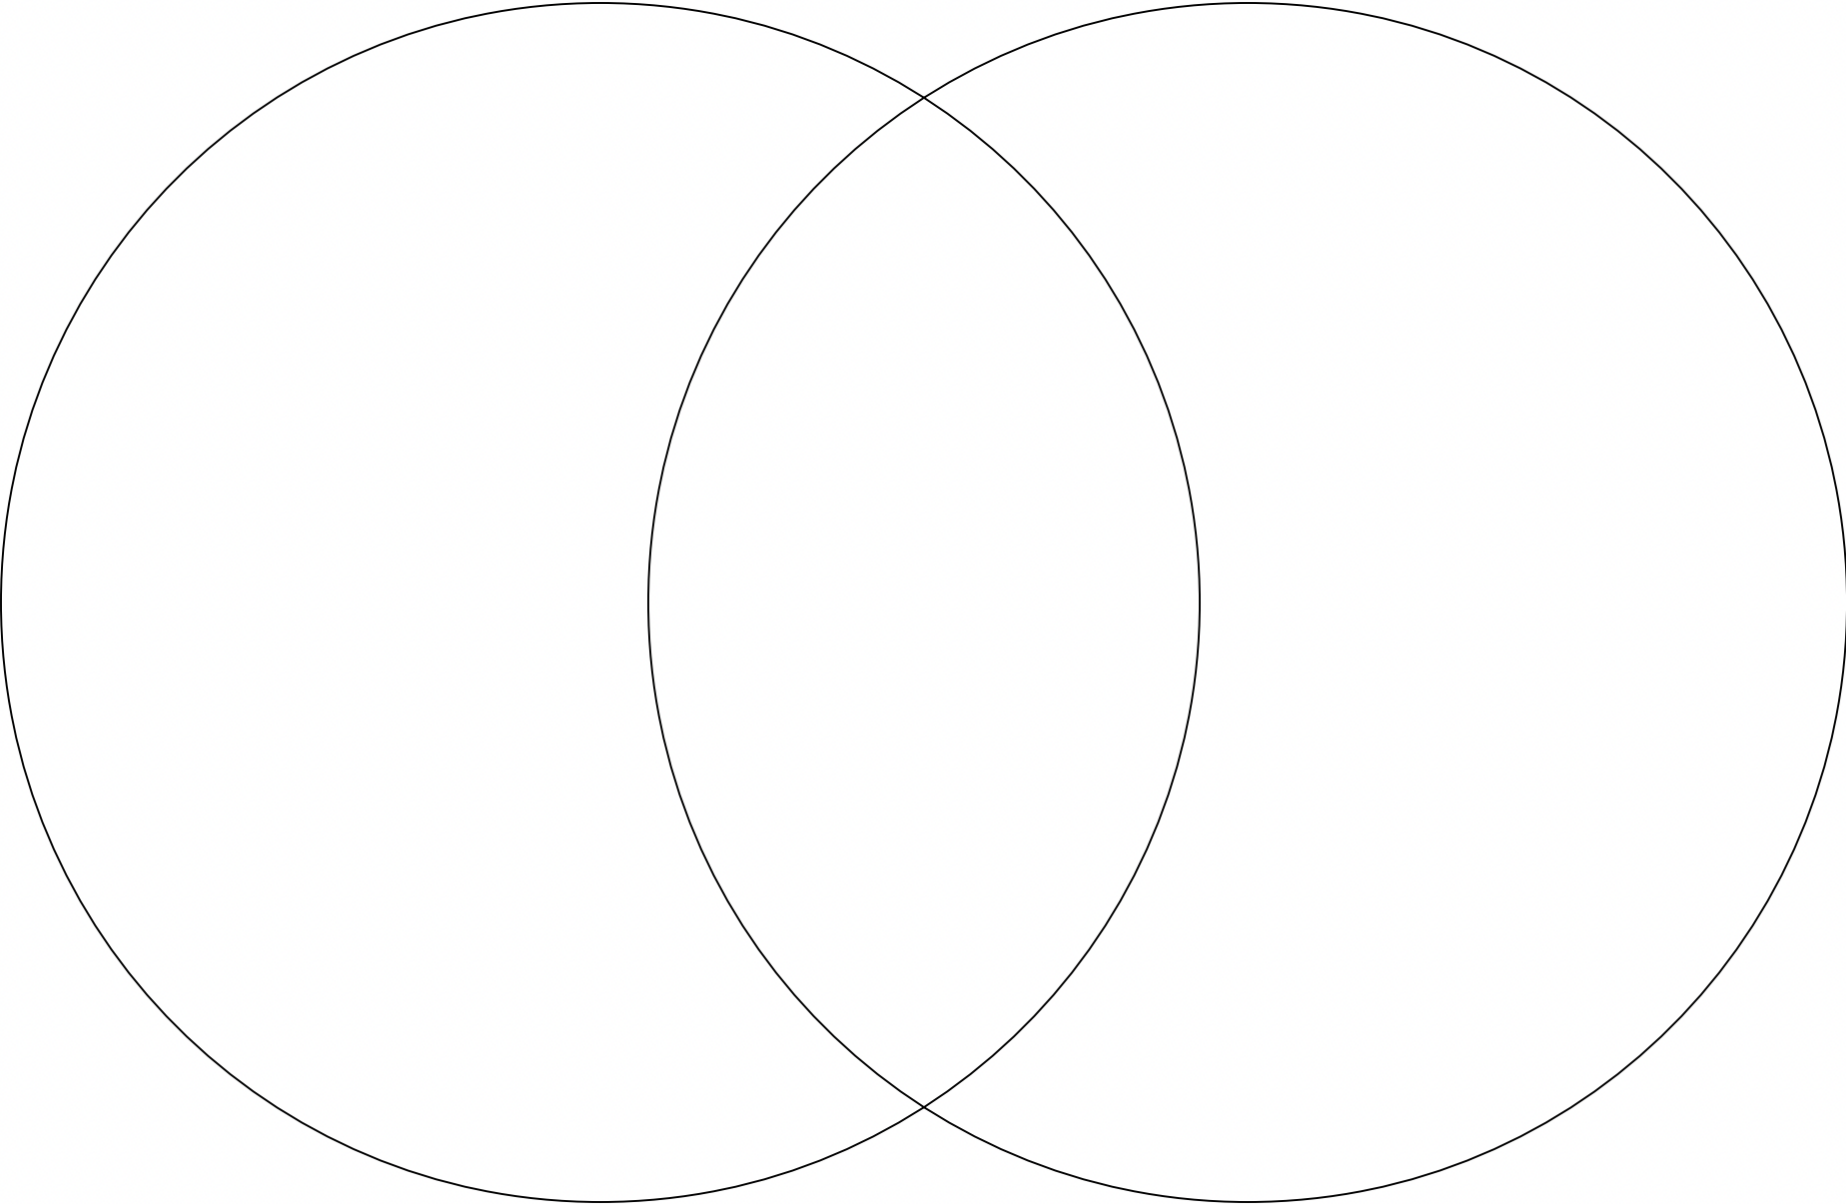

| <b>Artist</b>  | <b>Colors and Lines</b><br>Describe the colors used in each portrait and how the artist used lines and shapes to create the images. | <b>Style and Background</b><br>In your own words, describe the painting. What makes it unique and interesting. |
