Join us for the start of a powerful, new program for female professionals in the Muncie community and students at Ball State! This 12-course program offers a chance for experienced women to engage with neighbors of other industries and backgrounds to learn about innovation and leadership. After the program launches, we will combine forces with our female students to build mentor/mentee relationships in order to learn, share, and grow together. Contact Kyleigh Mazer to learn more!
A program built for you!

What we’ll cover:

- Personal Strengths, Mission Statements, & Personal Pitches
- Work & Home Balance
- Self-Assessments & Lifelong Applications of Results
- Confidence in the Workplace
- Networking and Professional Skills
- Creativity, Innovation, Leadership, Prototyping & Entrepreneurial Tools
- And much, much more!

APPLY AND JOIN US TODAY!
