

**BALL STATE
UNIVERSITY**

Entrepreneurial
Leadership Institute

Presents:

JOIN US in a powerful program for female professionals in the Muncie community! This two-year program is intentionally crafted to act as a professional development opportunity through individual learning and mentor relationships. During the second year, participants will also be partnered with Ball State University students to serve as a mentor and advisor investing in the student's personal and professional growth.

What we'll cover:

- Personal Strengths, Mission Statements, & Personal Pitches
- Work & Home Balance
- Self-Assessments & Lifelong Applications of Results
- Confidence in the Workplace
- Networking and Professional Skills
- Creativity, Innovation, Leadership, Prototyping, & Entrepreneurial Tools
- And much, much more!

Apply and join us today!

1. Complete the online application at bsu.edu/eli.
2. Complete and attach the necessary documents.
3. Submit your full application in the portal.

All women in or around the Muncie area and at Ball State are encouraged to apply regardless of education, background, industry, etc. Only electronic applications will be accepted and a limited number of applicants will be selected.
