Minor in Entrepreneurship:

Designed for business and non-business majors alike, our minor in entrepreneurial management prepares you with best practices, provides networking with professional entrepreneurs, and guides you on how to participate in the entrepreneurship ecosystem.

For your capstone course, you will be part of a group consulting project tackling real world business problems with community partners.

The minor can be completed in two years and the following courses are required:

1 Prerequisite:
   - ACC 201, ECON 116 OR ECON 201
