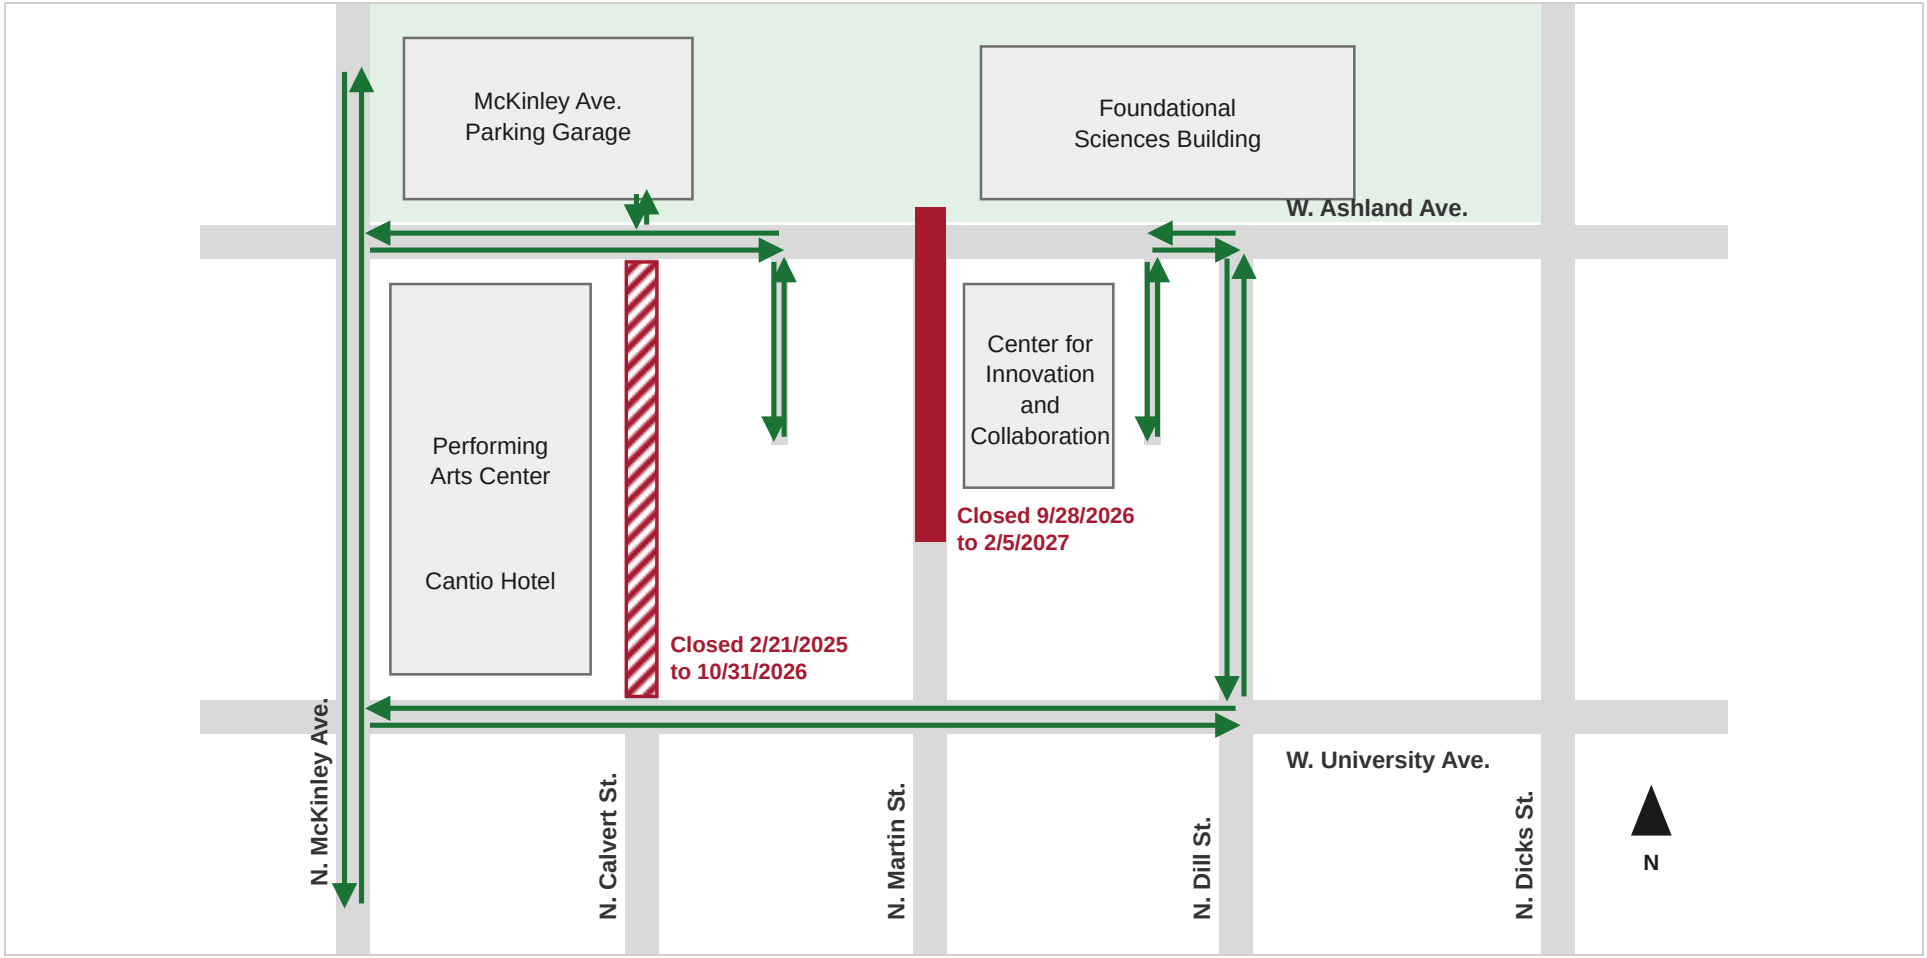
Ball State University, Facilities Planning and Management

Village construction detour route

Two streets in the Village are closed for construction: part of N. Martin St., including its intersection with W. Ashland Ave. (September 28, 2026 through February 5, 2027), and N. Calvert St. between W. Ashland Ave. and W. University Ave. (through October 31, 2026). W. Ashland Ave. does not go through at N. Martin St., so use W. University Ave. to travel between the east and west sides of the closure.



Solid bar: road closed September 28, 2026 to February 5, 2027

Striped bar: road closed February 21, 2025 to October 31, 2026

Line with arrow: detour route and direction of travel

North is at the top of the map. The map is a visual summary; everything it shows is also written out on the next page.

Road closures

Village construction road closures

Street	Section closed	Closed from	Reopens after
N. Martin St.	From just north of W. Ashland Ave. south along the Center for Innovation and Collaboration, including the intersection with W. Ashland Ave. W. Ashland Ave. does not go through at N. Martin St. The southern end of the block near W. University Ave. is not part of the closure.	September 28, 2026	February 5, 2027
N. Calvert St.	The full block between W. Ashland Ave. and W. University Ave.	February 21, 2025	October 31, 2026

Detour routes

These streets stay open to traffic in both directions:

- N. McKinley Ave., including north of W. Ashland Ave. and south of W. University Ave.
- W. University Ave., between N. McKinley Ave. and N. Dill St. This is the route between the east and west sides of the closure.
- N. Dill St., between W. Ashland Ave. and W. University Ave.
- W. Ashland Ave., west side: from N. McKinley Ave. east to the access drive just west of N. Martin St.
- W. Ashland Ave., east side: from N. Dill St. west to the access drive just east of N. Martin St.

Getting to buildings in the area

- **McKinley Ave. Parking Garage:** the entrance is on W. Ashland Ave., west of the closure. Use N. McKinley Ave. to come and go; W. Ashland Ave. does not continue east past N. Martin St.
- **Performing Arts Center and Cantio Hotel:** reach from N. McKinley Ave., W. Ashland Ave., or W. University Ave.
- **Center for Innovation and Collaboration:** reach from N. Dill St., W. University Ave., or W. Ashland Ave. east of N. Martin St.
- **Access drives:** two short drives off W. Ashland Ave. stay open in both directions, one just west of N. Martin St. and one just east of it. Both are dead ends and do not connect to W. University Ave.
