Note: All values noted above represent an unduplicated student headcount. To be exact, each cell in the table represents a unique set of students, including college and academic level totals. Consequently, each cell describes the unique number of students in each department or college disaggregated by the modality of their schedule. Furthermore, since this presentation is based on all majors declared as of the census date, including certificates and licensures, students are counted in each department in which they have a declared program, but only once per department and only once per college.

Definitions: "Face-to-Face" is a student not enrolled in any online courses ; "Blended" is a student enrolled in both "Face-to-Face" and "Online" courses ; "Online" is a student who is only enrolled in online courses.
