Fall 2014	3,568	81.7%	74.7%	71.9%					
Fall 2015	3,470	81.3%	74.7%						
Fall 2016	3,841	78.4%							

Note: Total Student Before Exclusions represents the number of students who started in the first-time, full-time cohort at census of their first fall semester. Retention and graduation rates are calculated removing students due to death, military service, official church mission assignments, or permanent disability.
