## Child or Elder Care 2017-2018

If you will have child or elder care expenses during the academic year while you are involved in educational activities like attending class, studying or commuting, provide the monthly amount paid and other information requested below. Only report the amounts that are out-of-pocket after any portion paid by an outside agency. Attach documentation which supports the amounts reported. The child must have been reported as a member in your household on your FAFSA, or enclose a letter explaining your circumstances. Do not report child support paid out.

**The increase in your cost of attendance for child/elder care can only be funded through federal or private loans. If using federal loans you must have remaining loan eligibility. No additional grant funds will be awarded based on this form.**

Once the cost of attendance increase has been completed, you will need to complete an additional loan request form at [www.bsu.edu/finaid/forms](http://www.bsu.edu/finaid/forms) or a paper loan application available at our front desk. If requesting a Grad PLUS loan, please apply at [www.studentloans.gov](http://www.studentloans.gov). Private loans will require you to contact your lender.
