

Addendum A - Ball State University Panhellenic Code of Ethics

We, as members of the Panhellenic community of Ball State University, agree to honor and uphold the National Panhellenic Conference UNANIMOUS AGREEMENTS through our thoughts, words, and actions. Our goal is to be models of pride, honesty, and courtesy for all chapters and individuals of the Greek community. Respect for and consideration of individual rights and feelings are the responsibility of every member. Through encouraging and assisting all Greek members in the pursuit of moral and social advancement and the promotion of love and unity within the Greek community, we will foster an environment of harmony and understanding that furthers the ideals of every fraternity. While keeping with our aim to promote the highest ideals of womanhood, we will hold each other accountable for behavior that is inconsistent with our expected standards of conduct and educate our members fully on these same standards. We will strive to behave in a manner consistent with each chapter's ritual and founding principles in all interactions with others. By demonstrating these ethical* standards, we truly will be "furthering our fraternity life, in harmony with its best possibilities."

* We as women of Panhellenic Council believe ethical behavior to be the following: We trust each other to be responsible and to conduct ourselves within the realm of high moral standards. We will treat each other with respect and dignity and with the highest amount of fairness and honesty!!
