

BICYCLE LOCKER RENTAL AGREEMENT

I agree to rent a Bicycle Locker unit for the 2022-2023 academic year under the following conditions:

I will be furnished one key for the locker and will be responsible for the return of the key to the Office of Housing and Residence Life, North Dining, at the end of the academic year or upon cancellation of this agreement as provided herein. Should I fail to return the key or lose the key, I agree to pay \$10.00 for a new lockset and keys.

This agreement is limited to the rental of the bicycle locker for storage of my bicycle only. Sub renting of the locker space or using the locker for storage of items other than my bicycle will result in the cancellation of this agreement at the discretion of Housing and Residence Life.

Ball State University provides bicycle locker spaces to assist residence hall students in securing their bicycles from deterioration caused by the elements, vandalism, and theft. However, no guarantees are made by Ball State University about the security of bicycles placed in the lockers, and Ball State University assumes no liability for damages to or theft of bicycles stored in the lockers.

My account will be billed for the rental of a bicycle locker in the amount of \$50.00 if this agreement is submitted prior to the first day of classes, and \$75.00 on or after the first day of classes. Any cancellations after the halls open will result in an adjustment to the billing. The adjustment will be 50 percent up to 30 days after the first day of the academic year. After 30 days, refunds will not be available.
