Course details:

Spring 2023

Weeks 1-8 Meet in person/via Zoom 10:00-10:50am

Week 9-10 Meet with community staff on site
10:00-10:50 am (MWF)

Week 11-15 Conduct camp (Saturday, 9:00-12:00pm)

Week 16 – Meet via Zoom 10:00-10:50am

In Phase I, students will collaborate with the **Ross Community Center**, BSU's **Rinard Orchid Greenhouse** and **Christy Woods** to develop creative age-appropriate curriculum, and hands-on activities on Environmental Education topics.

In Phase II, students will conduct a **5-day environmental education camp for K-5th grader**. Camp activities include topic learning, hands-on activities, a physical education activity, two rest breaks, a nutritious snack, a review of the day's topic, and completion of an assessment worksheet.
