The Office of Inclusive Excellence invites faculty to submit applications for the 2019-2020 Diversity Associates Program.

Diversity Associates are partnered with a faculty mentor by the Office of Inclusive Excellence. Diversity Associates are expected to meet with mentors and each other on a regular basis. Projects should focus on one or more of the following areas: race, ethnicity, economic status, national origin, disability, gender/gender identity, sexual orientation/sexual identity, age, and/or religious viewpoints.

Faculty may propose an individual project or a collaborative project with a colleague. We welcome submissions regarding teaching, scholarship, creative endeavors, or service that will advance diversity, equity, and inclusion at Ball State University.

Expected Outcomes typically take one of the following forms:
(1) Disseminate research or creative endeavors, e.g. conference proposal, article submission, placement of creative work, grant submission, etc.
(2) Develop a plan, and take initial steps, for implementing inclusive pedagogy in an upcoming semester or mentor undergraduate research regarding diversity, equity, and inclusion that leads to dissemination
(3) Develop a plan, and take initial steps, for a service project, e.g. diversity dialogue, community engagement

A stipend of approximately $400 will be awarded to the associate (or split among collaborators) upon completion of the project.

To apply, submit:
(1) The Diversity Associate Cover Sheet with Chairperson/Supervisor signature.
(2) A one-page description of the nature of the work to be conducted and the expected outcomes.

Applications should be sent to Jalove2@bsu.edu. Please contact Dr. David W. Concepción, dwconcepcion@bsu.edu, if you have any questions about the program.
