

**Overview**

Prerequisites are built at the Catalog Level and are passed down upon creation of sections. To review the items for an individual section, follow these steps.

**Steps**

**Prerequisites**

1. Access the SSAPREQ form
2. Search for/select the appropriate **Term** and **CRN**
3. Next block, section information will default
4. Next Block again
5. Review the record.

The screenshot shows a web application window titled "Schedule Prerequisites and Test Score Restrictions: SSAPREQ 8.5.0.1 (TEST0114)". It features two dropdown menus for "Term" (set to 201210) and "CRN" (set to 12593). Below these are two tabs: "Section Information" and "Section Test Score and Prerequisite Restrictions", with the latter being active. The main content area is titled "Section Test Score and Prerequisite Restrictions" and contains a table with the following columns: "And", "Or", "Test Code", "Test Score", "Subject", "Course Number", "Level", "Grade", "Concurrency", and "Y". The first row of data shows "PR" in the Subject column, "102" in the Course Number column, "UG" in the Level column, "D-" in the Grade column, and "(None)" in the Concurrency column. There are also several empty rows below.
