Professional Practice Experience

2004–2019 **Hitchcock Design Group** Naperville and Chicago, Illinois
Principal: Work Group Leader responsible for Studio operations, scheduling, and work-flow management. Senior designer and illustrator with an emphasis on Higher Education and Urban Design projects with Project Management and Delivery responsibilities—from schematic design through construction administration—on multiple, concurrent projects. Additionally responsible for marketing, creative and technical writing, and chairing the 401(k) investment committee. Director of studio6 (2005-2008), a special projects studio focused on firm-wide design innovation and communication. Supervised a Graduate Student intern and guided firm involvement in the Landscape Architectural Foundation (LAF) Case Study Initiative (CSI, 2013).

1998–2004 **Wolff Clements and Associates** Chicago, Illinois
Senior Associate: Senior designer responsible for conceptual design and illustration of higher education and urban design projects. Often served as the sole firm representative on all project phases, from marketing through design and documentation. Communicated design intent through traditional and digital media. Participated in workshops and charrettes. Wrote reports, prepared supporting graphics and photography, coordinated printing. Collaborated with production team to ensure that design intent carried over into working drawings. Established and taught standards for traditional hand graphics.

1995–1998 **Smith Group / JJR** Chicago, Illinois
Associate: Staff landscape architect responsible for conceptual design, design development, and construction documentation of projects. Worked with in-house and multi-disciplinary teams. Prepared renderings for projects in all of the JJR offices.

1986–1995 **The Cox Company** Charlottesville, Virginia
Associate: Staff landscape architect within a civil engineering and planning firm. Responsible for design, illustration, marketing, photography, and desktop publishing. Project types included land planning, institutional planning, and urban design.
