

## Scholarship Application Preference Sheet

**Your Name:**

There are many honors and scholarships available to Nutrition and Health Science students this year! However, many of the scholarships have specific regulations regarding who is eligible for award. To help the scholarship committee, it is imperative that you review the below criteria for each award and **ONLY SELECT (by checking) THOSE SCHOLARSHIPS WHERE YOU ARE ELIGIBLE**. Only the scholarships that require an application are listed. The committee cannot consider a student for a scholarship unless the student has applied for that scholarship. If you have any questions regarding the award or your eligibility, please contact the chair of this year's committee, Dr.

Christina Jones, at [cljones15@bsu.edu](mailto:cljones15@bsu.edu)
