College of Health
Department of Nutrition and Health Science

STUDENT CHECK SHEET BACHELOR OF SCIENCE: PUBLIC HEALTH

Use this check sheet, along with your DegreeWorks student report and course catalog to help you keep track of “where you are” in the major.

ABOUT THE MAJOR

This program prepares students for entry-level jobs as public health professionals. Public health professionals promote and protect the health of people and the communities where they live, learn, work and play. There is an emphasis on learning about prevention, how to prevent people from getting sick or injured in the first place. Public health professionals also promote wellness by encouraging healthy behaviors.

PUBLIC HEALTH MAJOR 75-77 HOURS*

In addition to the basic thirteen courses that all majors must take, each student must select 2-3 additional courses in directed electives that will enrich knowledge and/or skills in a particular specialty. A minor is recommended for this program. Minors often selected include, workplace wellness, Spanish, interpersonal relations, counseling, communication studies, management, or sociology.

PROGRAM ACCREDITATION

The Bachelor of Science in Public Health is accredited by the Council on Education for Public Health. This program in public health prepares students to become Certified Health Education Specialists (C.H.E.S.).

PROFESSIONAL ORGANIZATIONS FOR PUBLIC HEALTH

National Commission for Health Education Credentialing-www.nchec.org
Society for Public Health Education (SOPHE)-www.sophe.org
American Public Health Association -www.apha.org
Indiana SOPHE- www.insophe.org
Indiana Public Health Association – www.inpha.org

CAREER OPPORTUNITIES FOR PUBLIC HEALTH MAJORS

Successful completion of the program can prepare graduates for jobs in public health. The primary career settings in which most students are placed include government health agencies, health care facilities (e.g., hospitals, clinics, nursing homes), health insurance agencies (e.g., HMO/managed care), nonprofit health organizations and business/industry worksites.
