August 15, 2022
2:00 – 3:00 p.m.

https://bsu.zoom.us/j/92775476583?pwd=OFZ0VXRNQTB0aHJJRTBJWjFCdndSZz09

1. Approval of August 1, 2022 minutes
2. Experian uConfirm integration for Payroll – Laura
3. Final review of the policy for access to Tableau – Michael
4. Access to record level (students/faculty/staff) data for outreach to specific race/ethnicity groups – Michael
5. Adding Pell and First Gen to tableau reports in core – Michael
6. RFP for data/report definitions software tool – Michael
    - Ball State University is seeking to contract with a vendor to implement a web-based functional and technical data dictionary system, consolidating definitions and improving data quality for various data sources and reporting outcomes for the institution. Additionally, the application should allow for report specifications, requests, and change workflow including approvals. The application will enable the institution to achieve greater data integrity for actionable decision-making significant strides toward attaining our strategic initiatives.
7. Quick update on other policies, procedures and definitions in process – Michael
