**STATE OF DELAWARE**  
**The Civil Union and Equality Act of 2011**  
**Effective January 1, 2012**

In accordance with Delaware law, insurers are required to provide the following notice to applicants of insurance policies issued in Delaware.

The Civil Union and Equality Act of 2011 ("the Act") creates a legal relationship between two persons of the same sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Delaware to spouses in a legal marriage. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Delaware law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to Chapter 2 of Title 13 of the Delaware Code or the State of Delaware website at [www.delaware.gov/CivilUnions](http://www.delaware.gov/CivilUnions).

**Georgia**

The laws of the state of Georgia prohibit insurers from unfairly discriminating against any person based upon his or her status as a victim of family abuse.

**STATE OF ILLINOIS**  
**The Religious Freedom Protection and Civil Union Act**  
**Effective June 1, 2011**

In accordance with Illinois law, insurers are required to provide the following notice to applicants of insurance policies issued in Illinois.

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at [www.insurance.illinois.gov](http://www.insurance.illinois.gov).

*Do coverage amounts change if there is a change in my class or my rate of pay?*

Your coverage may increase or decrease on the date there is a change in Your class or Pre-disability Earnings. However, no increase in coverage will be effective unless on that date You:

- 1) are an Active Employee; and
- 2) are not absent from work due to being Disabled. If You were so absent from work, the effective date of such increase will be deferred until You are Actively at Work for one full day.

No change in Your Pre-disability Earnings will become effective until the date We receive notice of the change.

The amount of the Monthly Benefit payable for a Pre-existing Condition in accordance with the above paragraph will be the lesser of:

- 1) the Monthly Benefit which was paid by the Prior Policy; or
- 2) the Monthly Benefit provided by The Policy.

If You are Disabled and You cease to be an Active Employee, Your insurance will be continued:

- 1) during the Elimination Period while You remain Disabled by the same Disability; and
- 2) after the Elimination Period for as long as You are entitled to benefits under The Policy.

No premium will be due for You:

- 1) after the Elimination Period; and

**Extension of Benefits for Disability:** *Do my benefits continue if The Policy terminates?*

If You are entitled to benefits while Disabled and The Policy terminates, benefits:

- 1) will continue as long as You remain Disabled by the same Disability; but
- 2) will not be provided beyond the date We would have ceased to pay benefits had the insurance remained in force.

Termination of The Policy for any reason will have no effect on Our liability under this provision.

## BENEFITS

**Disability Benefit:** *What are my Disability Benefits under The Policy?*

We will pay You a Monthly Benefit if You:

- 1) become Disabled while insured under The Policy;
- 2) are Disabled throughout the Elimination Period;
- 3) remain Disabled beyond the Elimination Period; and
- 4) submit Proof of Loss to Us.

Benefits accrue as of the first day after the Elimination Period and are paid monthly. However, benefits will not exceed the Maximum Duration of Benefits.

**Mental Illness and Substance Abuse Benefits:** *Are benefits limited for Mental Illness or Substance Abuse?*

If You are Disabled because of:

- 1) Mental Illness that results from any cause;
- 2) any condition that may result from Mental Illness;
- 3) alcoholism; or
- 4) the non-medical use of narcotics, sedatives, stimulants, hallucinogens, or any other such substance;

then, subject to all other provisions of The Policy, We will limit the Maximum Duration of Benefits.

Benefits will be payable:

- 1) for as long as You are confined in a hospital or other place licensed to provide medical care for the disabling condition; or
- 2) if not confined, or after You are discharged and still Disabled, for a total of 24 months for all such disabilities during Your lifetime.

**Recurrent Disability:** *What happens if I Recover but become Disabled again?*

Periods of Recovery during the Elimination Period will not interrupt the Elimination Period, if the number of days You return to work as an Active Employee are less than one-half (1/2) the number of days of Your Elimination Period.

Any day within such period of Recovery, will not count toward the Elimination Period.

After the Elimination Period, if You return to work as an Active Employee and then become Disabled and such Disability is:

- 1) due to the same cause; or
- 2) due to a related cause; and
- 3) within 6 months of the return to work;

the Period of Disability prior to Your return to work and the recurrent Disability will be considered one Period of Disability, provided The Policy remains in force.

If You return to work as an Active Employee for 6 months or more, any recurrence of a Disability will be treated as a new Disability. The new Disability is subject to a new Elimination Period and a new Maximum Duration of Benefits.

**Period of Disability** means a continuous length of time during which You are Disabled under The Policy.

**Recover or Recovery** means that You are no longer Disabled and have returned to work with the Employer and premiums are being paid for You.

**Calculation of Monthly Benefit: Return to Work Incentive:** *How are my Disability benefits calculated?*

If You remain Disabled after the Elimination Period, but work while You are Disabled, We will determine Your Monthly Benefit for a period of up to 12 consecutive months as follows:

- 1) multiply Your Pre-disability Earnings by the Initial Benefit Period Percentage;
- 2) compare the result with the Maximum Benefit; and
- 3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit. Current Monthly Earnings will not be used to reduce Your Monthly Benefit. However, if the sum of Your Monthly Benefit and Your Current Monthly Earnings exceeds 100% of Your Pre-disability Earnings, We will reduce Your Monthly Benefit by the amount of excess.

The 12 consecutive month period will start on the last to occur of:

- 1) the day You first start work; or
- 2) the end of the Elimination Period.

If You are Disabled and not receiving benefits under the Return to Work Incentive, during the Initial Benefit Period, We will calculate Your Monthly Benefit as follows:

- 1) multiply Your Monthly Income Loss by the Initial Benefit Period Percentage;
- 2) compare the result with the Maximum Benefit; and
- 3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit.

During the Continuing Benefit Period, if You are not receiving benefits under the Return to Work Incentive, but You are receiving benefits under Social Security Disability or Social Security Retirement plans, or an alternative plan for federal, state or municipal employees, We will determine Your Monthly Benefit as follows:

- 1) multiply Your Monthly Income Loss by the Initial Benefit Period Percentage;
- 2) compare the result with the Maximum Benefit; and
- 3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit.

During the Continuing Benefit Period, if You are not receiving benefits under the Return to Work Incentive, or under Social Security Disability or Social Security Retirement plans or an alternative plan for federal, state or municipal employees, We will determine Your Monthly Benefit as follows:

- 1) multiply Your Pre-disability Earnings by the Continuing Benefit Period Percentage;
- 2) multiply Your Monthly Income Loss by the Initial Benefit Period Percentage, and deduct all Other Income Benefits; and
- 3) deduct all Other Income Benefits from the Maximum Benefit.

The result of the calculation giving the least amount is Your Monthly Benefit.

**Calculation of Monthly Benefit:** *What happens if the sum of my Monthly Benefit, Current Monthly Earnings, and Other Income Benefits exceeds 100% of my Pre-disability Earnings?*

If the sum of Your Monthly Benefit, Current Monthly Earnings, and Other Income Benefits exceeds 100% of Your Pre-disability Earnings, We will reduce Your Monthly Benefit by the amount of the excess. However, Your Monthly Benefit will not be less than the Minimum Monthly Benefit.

If an overpayment occurs, We may recover all or any portion of the overpayment, in accordance with the Overpayment Recovery provision.

**Minimum Monthly Benefit:** *Is there a Minimum Monthly Benefit?*

Your Monthly Benefit will not be less than the Minimum Monthly Benefit shown in the Schedule of Insurance.

**Partial Month Payment:** *How is the benefit calculated for a period of less than a month?*

If a Monthly Benefit is payable for a period of less than a month, We will pay 1/30 of the Monthly Benefit for each day You were Disabled.

**Denial of Social Security Benefits:** *After the Initial Benefit Period expires, is there any allowance if I am ineligible for Social Security?*

If Your Disability prevents You from performing the Essential Duties of Any Occupation, but Your claim for disability benefits under The United States Social Security System, or an alternative plan for federal, state or municipal employees:

- 1) was denied because You have not worked under these systems long enough to be eligible for disability benefits, Your Monthly Benefit during the Continuing Benefit Period will be calculated using the Initial Benefit Period Percentage; or
- 2) is still pending at the time the Initial Benefit Period expires, benefits may be paid at the Initial Benefit Period Percentage until the earlier to occur of:
  - a) the 12th month following the expiration of the Initial Benefit Period; or
  - b) the final adjudication of Your claim for Social Security disability benefits.

**Termination of Payment:** *When will my benefit payments end?*

Benefit payments will stop on the earliest of:

- 1) the date You are no longer Disabled;
- 2) the date You fail to furnish Proof of Loss;
- 3) the date You are no longer under the Regular Care of a Physician;
- 4) the date You refuse Our request that You submit to an examination by a Physician or other qualified medical professional;
- 5) the date of Your death;
- 6) the date You refuse to receive recommended treatment that is generally acknowledged by Physicians to cure, correct or limit the disabling condition;
- 7) the last day benefits are payable according to the Maximum Duration of Benefits Table;
- 8) the date Your Current Monthly Earnings:
  - a) are equal to or greater than 80% of Your Indexed Pre-disability Earnings if You are receiving benefits for being Disabled from Your Occupation; or
  - b) are greater than the lesser of the product of Your Indexed Pre-disability Earnings and the Initial Benefit Period Percentage or the Maximum Monthly Benefit if You are receiving benefits for being Disabled from Any Occupation;
- 9) the date no further benefits are payable under any provision in The Policy that limits benefit duration; or
- 10) the date You refuse to participate in a Rehabilitation program, or refuse to cooperate with or try:
  - a) modifications made to the work site or job process to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Your Occupation;
  - b) adaptive equipment or devices designed to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Your Occupation;
  - c) modifications made to the work site or job process to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Any Occupation, if You were receiving benefits for being disabled from Any Occupation; or
  - d) adaptive equipment or devices designed to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Any Occupation, if You were receiving benefits for being disabled from Any Occupation;

provided a qualified Physician or other qualified medical professional agrees that such modifications, Rehabilitation program or adaptive equipment accommodate Your medical limitation.

**Family Care Credit Benefit:** *What if I must incur expenses for Family Care Services in order to participate in a Rehabilitation program?*

If You are working as part of a program of Rehabilitation, We will, for the purpose of calculating Your benefit, deduct the cost of Family Care from earnings received from work as a part of a program of Rehabilitation, subject to the following limitations:

- 1) Family Care means the care or supervision of:
  - a) Your children under age 13; or
  - b) a member of Your household who is mentally or physically handicapped and dependent upon You for support and maintenance;
- 2) the maximum monthly deduction allowed for each qualifying child or family member is:
  - a) \$350 during the first 12 months of Rehabilitation; and
  - b) \$175 thereafter;but in no event may the deduction exceed the amount of Your monthly earnings;
- 3) Family Care Credits may not exceed a total of \$2,500 during a calendar year;
- 4) the deduction will be reduced proportionally for periods of less than a month;
- 5) the charges for Family Care must be documented by a receipt from the caregiver;
- 6) the credit will cease on the first to occur of the following:
  - a) You are no longer in a Rehabilitation program; or
  - b) Family Care Credits for 24 months have been deducted during Your Disability; and
- 7) no Family Care provided by someone Related to the family member receiving the care will be eligible as a deduction under this provision.

Your Current Monthly Earnings after the deduction of Your Family Care Credit will be used to determine Your Monthly Income Loss. In no event will You be eligible to receive a Monthly Benefit under The Policy if Your Current Monthly Earnings before the deduction of the Family Care Credit exceed 80% of Your Indexed Pre-disability Earnings.

**Survivor Income Benefit:** *Will my survivors receive a benefit if I die while receiving Disability Benefits?*

If You were receiving a Monthly Benefit at the time of Your death, We will pay a Survivor Income Benefit, when We receive proof satisfactory to Us:

- 1) of Your death; and
- 2) that the person claiming the benefit is entitled to it.

We must receive the satisfactory proof for Survivor Income Benefits within 1 year of the date of Your death.

The Survivor Income Benefit will only be paid:

- 1) to Your Surviving Spouse; or
- 2) if no Surviving Spouse, in equal shares to Your Surviving Children.

If there is no Surviving Spouse or Surviving Children, then no benefit will be paid.

However, We will first apply the Survivor Income Benefit to any overpayment which may exist on Your claim.

If a minor child is entitled to benefits, We may, at Our option, make benefit payments to the person caring for and supporting the child until a legal guardian is appointed.

The Survivor Income Benefit is calculated as 6 times the lesser of:

- 1) Your Monthly Income Loss multiplied by the Benefit Percentage in effect on the date of Your death; or
- 2) The Maximum Monthly Benefit.

**Surviving Spouse** means Your wife or husband who was not legally separated or divorced from You when You died.

We reserve the right to reduce Your Monthly Benefit by estimating the Social Security disability benefits You or Your spouse and children may be eligible to receive.

When We determine that You or Your dependent may be eligible for benefits, We may estimate the amount of these benefits. We may reduce Your Monthly Benefit by the estimated amount.

- 2) Your application for Social Security disability benefits has been denied, We will adjust Your Monthly Benefit when You provide Us proof of final denial from which You cannot appeal from an Administrative Law Judge of the Office of Hearing and Appeals.

If Your Social Security benefits were lower than We estimated, and We owe You a refund, We will make such refund in a lump sum. If Your Social Security benefits were higher than We estimated, and if Your Monthly Benefit has been overpaid, You must make a lump sum refund to Us equal to all overpayments, in accordance with the Overpayment Recovery provision.

It is a crime if You and/or Your Employer commit Insurance Fraud. We will use all means available to Us to detect, investigate, deter and prosecute those who commit Insurance Fraud. We will pursue all available legal remedies if You and/or Your Employer perpetrate Insurance Fraud.

**Misstatements:** *What happens if facts are misstated?*

If material facts about You were not stated accurately:

- 1) Your premium may be adjusted; and
- 2) the true facts will be used to determine if, and for what amount, coverage should have been in force.

No statement, except fraudulent misstatements, made by You relating to Your insurability will be used to contest the insurance for which the statement was made after the insurance has been in force for two years during Your lifetime. In order to be used, the statement must be in writing and signed by You.

All statements made by the Policyholder, the Employer or You under The Policy will be deemed representations and not warranties. No statement made to affect this insurance will be used in any contest unless it is in writing and a copy of it is given to the person who made it, or to his or her beneficiary or Your representative.

While a claim is pending We have the right at Our expense:

**Actively at Work** means at work with the Employer on a day that is one of the Employer's scheduled workdays. On that day, You must be performing for wage or profit all of the regular duties of Your Occupation:

- 1) in the usual way; and

If school is not in session due to normal vacation or school break(s), Actively at Work shall mean You are able to report for work with the Employer, performing all the regular duties of Your Occupation in the usual way for Your usual number of hours as if school was in session.

**Active Employee** means an employee who works for the Employer on a regular basis in the usual course of the Employer's business. This must be at least the number of hours shown in the Schedule of Insurance.

**Current Monthly Earnings** means monthly earnings You receive from:

- 1) Your Employer; and
- 2) other employment;

while You are Disabled.

However, if the other employment is a job You held in addition to Your job with Your Employer, then during any period that You are entitled to benefits for being Disabled from Your Occupation, only the portion of Your earnings that exceeds Your average earnings from the other employer over the 6 month period just before You became Disabled will count as Current Monthly Earnings.

Current Monthly Earnings also includes the pay You could have received for another job or a modified job if:

- 1) such job was offered to You by Your Employer, or another employer, and You refused the offer; and

For the purposes of extending Your Elimination Period, Your Current Monthly Earnings will not include the pay You could have received for another job or a modified job if such job was offered to You by Your Employer, or another employer, and You refused the offer.

Your Disability must result from:

The adjustment is made January 1st each year after You have been Disabled for 12 consecutive month(s), provided You are receiving benefits at the time the adjustment is made.

The term Consumer Price Index (CPI-W) means the index for Urban Wage Earners and Clerical Workers published by the United States Department of Labor. If the index is discontinued or changed, We may use another nationally published index that is comparable to the CPI-W.

**Mental Illness** means a mental disorder as listed in the current version of the Diagnostic and Statistical Manual of Mental Disorders, published by the American Psychiatric Association. A Mental Illness may be caused by biological factors or result in physical symptoms or manifestations.

  - a) the United States Social Security Act or alternative plan offered by a state or municipal government;
  - b) the Railroad Retirement Act;

**Definitions, Terms, Conditions and Provisions:** The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and endorsements to which this mandatory endorsement is attached are hereby amended and superseded as follows:

- 1) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.
- 2) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.
- 3) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.
- 4) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

**CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE**

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under this policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

The Civil Union and Equality Act of 2011  
Effective January 1, 2012**

In accordance with Delaware law, insurers are required to provide the following notice to applicants of insurance policies issued in Delaware.

The Civil Union and Equality Act of 2011 ("the Act") creates a legal relationship between two persons of the same sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Delaware to spouses in a legal marriage. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Delaware law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of same sex civil unions or marriages legally entered into in other jurisdictions.

## BENEFITS

**Life Insurance Benefit:** *When is the Life Insurance Benefit payable?*

If You die while covered under The Policy, We will pay Your Life Insurance Benefit after We receive Proof of Loss, in accordance with the Proof of Loss provision.

The Life Insurance Benefit will be paid according to the General Provisions of The Policy.

**Accelerated Benefit:** *What is the benefit? This benefit is not available for Retirees.*

In the event that You are diagnosed as Terminally Ill while You are:

- 1) covered under The Policy for an Amount of Life Insurance of at least \$10,000; and
- 2) under the Normal Retirement Age;

We will pay the Accelerated Benefit in a lump sum amount as shown below, provided We receive proof of such Terminal Illness.

The Accelerated Benefit will not be available to You unless You have been Actively at Work under The Policy.

You must request in writing that a portion of Your Amount of Life Insurance be paid as an Accelerated Benefit.

The Amount of Life Insurance payable upon Your death will be reduced by any Accelerated Benefit Amount paid under this benefit. In addition, Your remaining Amount of Life Insurance will be subject to any reductions in The Policy and will not increase once an Accelerated Benefit has been paid. Any premium required will be based on the amount of Your life insurance remaining after the Accelerated Benefit is paid under this benefit.

You may request a minimum Accelerated Benefit amount of \$3,000, and a maximum of \$500,000. However, in no event will the Accelerated Benefit Amount exceed 80% of Your Amount of Life Insurance. This option may be exercised only once.

For example, if You are covered for a Life Insurance Benefit Amount under The Policy of \$100,000 and are Terminally Ill, You can request any portion of the Amount of Life Insurance Benefits from \$3,000 to \$80,000 to be paid now instead of to Your beneficiary upon death. However, if You decide to request only \$3,000 now, You cannot request the additional \$77,000 in the future.

Any benefits received under this benefit may be taxable. You should consult a personal tax advisor for further information.

In the event:

- 1) complete and return the request form in the proposal; and
- 2) pay the required premium for coverage;

within the time period specified in the proposal.

The Conversion Policy will not provide:

- 1) the same terms and conditions of coverage as The Policy;
- 2) any benefit other than the Life Insurance Benefit; and
- 3) term insurance.

However, Conversion is not available for any Amount of Life Insurance which was, or is being, continued in accordance with the Continuation Provisions until such coverage ends.

**Death within the Conversion Period:** *What if I die before coverage is converted?*

We will pay Your Amount of Life Insurance You would have had the right to apply for under this provision if:

- 1) coverage under The Policy terminates; and
- 2) You die within 31 days of the date coverage terminates; and

We may obtain this information from Your or Your beneficiaries' Notice of Claim, submitted proofs of loss, statements, or other materials provided by You or others on Your behalf; or, at Our expense We may obtain necessary information, or have You or Your Dependent's physically examined when and as often as We may reasonably require while the claim is pending. In addition, and at Your or Your beneficiaries' option and at Your or Your beneficiaries' expense, You or Your beneficiaries may provide Us and We will consider any other information, including but not limited to, reports from a Physician or other expert of Your or Your beneficiaries' choice. You or Your beneficiaries should provide Us with all information that You or Your beneficiaries want Us to consider regarding Your or Your beneficiaries' claim;

**Indiana Life and Health Insurance  
Guaranty Association Act  
Summary Document**

Residents of Indiana who purchase life and health insurance and annuities should know that the insurance companies licensed in this state to write these types of insurance are members of the Indiana Life and Health Insurance Guaranty Association ("ILHIGA"). The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided through the Association is not unlimited, as noted in the box below, and is not a substitute for consumers' care in selecting insurers.

**DISCLAIMER**

The Indiana Life and Health Insurance Guaranty Association provides coverage of claims under some types of policies if the insurer becomes impaired or insolvent. **COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.** Even if coverage is provided, there are significant limitations and exclusions. Coverage is generally conditional on continued residence in Indiana and is subject to possible change as a result of future amendments and court decisions. Other conditions may also preclude coverage.

You should not rely on availability of coverage under the Indiana Life and Health Insurance Guaranty Association when selecting an insurer. Your insurer and its agents are prohibited by law from using the existence of the Association in selling, soliciting, or inducing you to purchase any form of insurance.

The Indiana Life and Health Insurance Guaranty Association will respond to any questions you may have which are not answered by this document. You may contact the Indiana Life and Health Insurance Guaranty Association as follows:

The state law that provides for this safety-net coverage is called the Indiana Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverage, exclusions and limits. This summary does not cover all provisions of the law nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Association.

Evidence of compliance will be retained by the insurer until the policy or contract for which the notice is given is no longer in effect.

**COVERAGE**

Generally, individuals will be protected by the Indiana Life and Health Insurance Guaranty Association if they live in this State and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

(please turn to next page)

## **POLICIES COVERED**

Indiana Life and Health Insurance Guaranty Association provides coverage for certain life, health and annuity insurance policies.

## **COMPLAINTS AND COMPANY FINANCIAL INFORMATION**

A written complaint to allege violation of any provision of Indiana Life and Health Insurance Guaranty Association must be filed with the Indiana Department of Insurance, 311 W. Washington Street, Indianapolis, IN 46204 (317) 232-2385 [www.in.gov/idoi](http://www.in.gov/idoi). Financial information for an insurance company, if the insurance information is not proprietary, is available at the same address and telephone number. ILHIGA should not be contacted regarding the financial information of an insurance company.

## **EXCLUSIONS FROM COVERAGE**

Persons holding such policies are **NOT** protected by ILHIGA if:

- they are not residents of the State of Indiana;
- the insurer was not authorized to do business in Indiana at the time the policy or contract was issued;
- they are eligible for protection under the laws of another state. This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state;
- the policy or contract is issued by an organization that is not a member of Indiana Life and Health Insurance Guaranty Association.

Indiana Life and Health Insurance Guaranty Association also does **NOT** provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk;
- any policy of reinsurance, unless assumption certificates have been issued;
- plans of employers, association or similar entities to the extent they are self-funded or uninsured (that is, not insured by an insurance company, even if an insurance company administers them);
- interest rate yields that exceed an average rate;
- any portion of a policy or contract to the extent that it provides dividends or experienced rating;
- a funding agreement;
- benefit plans or benefit plan's trustee that is not an affiliate of the insurer;
- credits given in connection with the administration of a policy by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts issued to or in connection with a benefit plan protected by the federal Pension Guaranty Corporation, regardless of whether the federal Pension Benefit Guaranty Corporation has yet been required to make payments with respect to the benefit plan (which give rights to group contractholders, not individuals).
- unallocated annuity contracts or part of an unallocated annuity contract that is not issued to or in connection with a benefit plan or a government lottery.
- A certificate, policy, or contract that provides a hospital, medical, prescription drug, or other health care benefit under: (A) Part C of Title XVIII of the federal Social Security Act (42 U.S.C. 1395w-21 through 1395w-28); (B) Part D of Title XVIII of the federal Social Security Act (42 U.S.C. 1395w-101 through 1395w-153).

## **LIMITS ON AMOUNTS OF COVERAGE**

The act also limits the amount that ILHIGA is obligated to pay. ILHIGA cannot pay more than what the insurance company would owe under a policy or contract. Also:

- (A) with respect to any one life, regardless of the number of policies or contracts with the member insurer, ILHIGA will pay: \$300,000 in life insurance death benefits but not more than \$100,000 in net cash surrender and net cash withdrawal values; and in the case of health insurance, \$100,000 in health insurance benefits (other than disability insurance, basic hospital, medical, and surgical insurance, major medical insurance, and long term care insurance), including net cash surrender and net cash withdrawal values, \$300,000 in health insurance benefits that are disability insurance, \$300,000 in health insurance benefits under one (1) or more long term care insurance policies; \$500,000 in health insurance that are basic hospital, medical, and surgical insurance or major medical insurance;
- (B) with respect to annuities, \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values; and with respect to unallocated annuity contracts issued to or in connection with a governmental benefit plan established under Section 401, 403(b), or 457 of the United States Internal Revenue Code, \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values, per participant;
- (C) with respect to structured settlement annuities, \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values, per payee;
- (D) with respect to unallocated annuity contracts other than those issued to certain governmental retirement plans is \$5,000,000 in benefits per policyholder, regardless of the number of contracts.

In addition to the foregoing limitations, the association is not obligated to cover more than:

- (i) an aggregate of three hundred thousand dollars (\$300,000) in benefits with respect to any one (1) person under clauses (A), (B), and (C), except with respect to benefits for basic hospital, medical, and surgical insurance and major medical insurance under clause (A), an aggregate of five hundred thousand dollars (\$500,000) with respect to any one (1) person; or
- (ii) with respect to one (1) owner of multiple nongroup policies of life insurance, whether the policy owner is an individual, a firm, a corporation, or another person, and whether the persons insured are officers, managers, employees, or other persons, five million dollars (\$5,000,000) in benefits, including net cash surrender and net cash withdrawal values, regardless of the number of policies and contracts held by the owner.

For Vermont residents:

**Purpose:** Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons.

**Definitions, Terms, Conditions and Provisions:** The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and endorsements to which this mandatory endorsement is attached are hereby amended and superseded as follows:

- 1) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.
- 2) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.
- 3) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.

- 4) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.
- 5) "Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

**CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE**

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under this policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

**Indiana Life and Health Insurance  
Guaranty Association Act  
Summary Document**

Residents of Indiana who purchase life and health insurance and annuities should know that the insurance companies licensed in this state to write these types of insurance are members of the Indiana Life and Health Insurance Guaranty Association ("ILHIGA"). The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided through the Association is not unlimited, as noted in the box below, and is not a substitute for consumers' care in selecting insurers.

**DISCLAIMER**

The Indiana Life and Health Insurance Guaranty Association provides coverage of claims under some types of policies if the insurer becomes impaired or insolvent. **COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.** Even if coverage is provided, there are significant limitations and exclusions. Coverage is generally conditional on continued residence in Indiana and is subject to possible change as a result of future amendments and court decisions. Other conditions may also preclude coverage.

You should not rely on availability of coverage under the Indiana Life and Health Insurance Guaranty Association when selecting an insurer. Your insurer and its agents are prohibited by law from using the existence of the Association in selling, soliciting, or inducing you to purchase any form of insurance.

The Indiana Life and Health Insurance Guaranty Association will respond to any questions you may have which are not answered by this document. You may contact the Indiana Life and Health Insurance Guaranty Association as follows:

The state law that provides for this safety-net coverage is called the Indiana Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverage, exclusions and limits. This summary does not cover all provisions of the law nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Association.

Evidence of compliance will be retained by the insurer until the policy or contract for which the notice is given is no longer in effect.

**COVERAGE**

Generally, individuals will be protected by the Indiana Life and Health Insurance Guaranty Association if they live in this State and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

## POLICIES COVERED

Indiana Life and Health Insurance Guaranty Association provides coverage for certain life, health and annuity insurance policies.

## COMPLAINTS AND COMPANY FINANCIAL INFORMATION

A written complaint to allege violation of any provision of Indiana Life and Health Insurance Guaranty Association must be filed with the Indiana Department of Insurance, 311 W. Washington Street, Indianapolis, IN 46204 (317) 232-2385 [www.in.gov/idoi](http://www.in.gov/idoi). Financial information for an insurance company, if the insurance information is not proprietary, is available at the same address and telephone number. ILHIGA should not be contacted regarding the financial information of an insurance company.

## EXCLUSIONS FROM COVERAGE

Persons holding such policies are **NOT** protected by ILHIGA if:

- they are not residents of the State of Indiana;
- the insurer was not authorized to do business in Indiana at the time the policy or contract was issued;
- they are eligible for protection under the laws of another state. This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state;
- the policy or contract is issued by an organization that is not a member of Indiana Life and Health Insurance Guaranty Association.

Indiana Life and Health Insurance Guaranty Association also does **NOT** provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk;
- any policy of reinsurance, unless assumption certificates have been issued;
- plans of employers, association or similar entities to the extent they are self-funded or uninsured (that is, not insured by an insurance company, even if an insurance company administers them);
- interest rate yields that exceed an average rate;
- any portion of a policy or contract to the extent that it provides dividends or experienced rating;
- a funding agreement;
- benefit plans or benefit plan's trustee that is not an affiliate of the insurer;
- credits given in connection with the administration of a policy by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts issued to or in connection with a benefit plan protected by the federal Pension Guaranty Corporation, regardless of whether the federal Pension Benefit Guaranty Corporation has yet been required to make payments with respect to the benefit plan (which give rights to group contractholders, not individuals).
- unallocated annuity contracts or part of an unallocated annuity contract that is not issued to or in connection with a benefit plan or a government lottery.
- A certificate, policy, or contract that provides a hospital, medical, prescription drug, or other health care benefit under: (A) Part C of Title XVIII of the federal Social Security Act (42 U.S.C. 1395w-21 through 1395w-28); (B) Part D of Title XVIII of the federal Social Security Act (42 U.S.C. 1395w-101 through 1395w-153).

## LIMITS ON AMOUNTS OF COVERAGE

The act also limits the amount that ILHIGA is obligated to pay. ILHIGA cannot pay more than what the insurance company would owe under a policy or contract. Also:

- (E) with respect to any one life, regardless of the number of policies or contracts with the member insurer, ILHIGA will pay: \$300,000 in life insurance death benefits but not more than \$100,000 in net cash surrender and net cash withdrawal values; and in the case of health insurance, \$100,000 in health insurance benefits (other than disability insurance, basic hospital, medical, and surgical insurance, major medical insurance, and long term care insurance), including net cash surrender and net cash withdrawal values, \$300,000 in health insurance benefits that are disability insurance, \$300,000 in health insurance benefits under one (1) or more long term care insurance policies; \$500,000 in health insurance that are basic hospital, medical, and surgical insurance or major medical insurance;
- (F) with respect to annuities, \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values; and with respect to unallocated annuity contracts issued to or in connection with a governmental benefit plan established under Section 401, 403(b), or 457 of the United States Internal Revenue Code, \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values, per participant;
- (G) with respect to structured settlement annuities, \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values, per payee;
- (H) with respect to unallocated annuity contracts other than those issued to certain governmental retirement plans is \$5,000,000 in benefits per policyholder, regardless of the number of contracts.

In addition to the foregoing limitations, the association is not obligated to cover more than:

- (iii) an aggregate of three hundred thousand dollars (\$300,000) in benefits with respect to any one (1) person under clauses (A), (B), and (C), except with respect to benefits for basic hospital, medical, and surgical insurance and major medical insurance under clause (A), an aggregate of five hundred thousand dollars (\$500,000) with respect to any one (1) person; or
