PPO Health Plan

Although there are no changes to the plan that was known as the High Deductible Wellness Plan, the plan will now be called the PPO Health Plan. As an Under Age 65 Retiree, the medical plan option is the PPO Health Plan. The premiums for this health plan are the same as the active employee premium. This plan covers preventive services at 100% and blood work at contracted labs (LabCorp, American Health Network and Quest Diagnostics) are not subject to the deductible and are also covered at 100%. The PPO Health Plan also gives you access to Anthem's broad network of providers and once you have met your deductible, in-network medical services are paid at 80%. There is no prescription deductible on this plan, so coinsurance for prescriptions will immediately apply.

The University participates in the Indiana Aggregate Prescription Purchasing Plan (IAPPP) for prescription coverage and the IAPPP continues to use CVS Caremark as its third party administrator. Register online at www.Caremark.com/startnow to find network pharmacies, refill medications and check order status, check drug cost, and see your prescription history. **Walgreens continues to be out of our pharmacy network.**

As a reminder, 90-day refills for maintenance medications can be filled at any network retail pharmacy or you may still receive them through mail order. If you have any additional questions about your prescription plan or costs, you may call CVS Customer Care at 1-866-243-4881 or contact our office.
